The Grinch stole Christmas

1. Divide class into 4 -5 groups
2. Choose 2-3 players to be the Grinch
3. Mark off middle section of gym with cones for the Grinch area
4. Distribute beanbags/equipment at one end of the gym.
5. When the game begins the first people will get on scooter and try to make it to the other end to get a toy from the Grinch's pile.
6. If tagged by the Grinch (in Grinch area) before making it to the other side you must go back to team and let next person try. If you make it thru continue on to get one toy. Bring it back through the Grinch area. If you make it through without getting tagged take the toy to your team and let the next person try. IF you get tagged you have to take the toy back and return to your team.
7. Game ends when all toys have been collected. Count them up and then return them to the other side and continue to play if time allows
