b. Financial flows: as recorded in official and verifiable sources
c. Laws and regulations: that might establish cause for legal or regulatory action
d. Participation in elite events and planning meetings
e. Freedom of Information Act Requests
f. Direct interviews with witnesses and experts

The RIO TF:

a. Coordinates the communication, and preservation, and organization of this information in a shareable source
b. Establishes a group to enter names and organizations into the LittleSis.org database
c. Compiles relevant supporting documents such as IRS Form 990, campaign donation records, contracts, etc.
d. Works closely with the Forensic Accounting and Legal TF

II. **Forensic Accounting and Legal** – this TF is responsible for organizing a group of expert accounting and legal professionals to defend the Constitutional and statutory rights of the People of Oklahoma by identifying instances of potential wrongdoing or dereliction of duty by elected and appointed officials and private persons and agencies and associations. The TF will oversee the initiation of legal actions and work to procure accurate records of related financial activity. The TF will also work with the Networking and Administrative TF to collect funding to cover necessary expenses related to accounting and legal activity.

III. **Political and Election Action** – this TF identifies areas for direct political action in support of the Constitutional and statutory rights of the People of Oklahoma, including:

a. Identifying and monitoring important elections, communicating profiles of candidates' positions on topics of interest to Take Back Oklahoma, and ensuring that candidates are aware of TBO's concerns.
b. Recruiting volunteers to engage civic leaders with direct action calling for support of TBO priorities (email and letter-writing campaigns, targeted protests, public comments, etc).
c. Monitoring upcoming elections and appointments to ensure that each race has a pro-TBO representative. Election filing deadlines should be communicated to the TBO organization.
d. Conceptualize a database and scorecard system that will allow the People of Oklahoma to evaluate an individual's commitment to TBO priorities easily and accurately.
e. Organize related public-facing activities such as voter awareness efforts, town hall meetings, publicity, etc.

IV. **Networking and Administrative** – this TF coordinates local and statewide TBO efforts to grow the TBO organization, expand TBO groups to as many localities as possible, and establish lines of communication among TBO groups, leaders, and TFs. This TF should offer support to new TBO

groups and leaders and establish meaningful relationships with people and communities that TBO exists to serve. This TF is responsible for:

a. Procuring meeting spaces and permits, if necessary
b. Establishing secure and effective communications
c. Identifying related organizations or groups that might wish to partner with TBO
d. Identifying products or processes that would improve TBO
e. Assisting the Outreach and Public Relations TF with recruiting and education and awareness events

V. **Outreach and Public Relations** – This TF develops a media and publicity strategy for TBO. This TF will be responsible for:

a. Designing and distributing logos, fliers, and other publicity materials for the TBO organization and its events.
b. Recruit new members and affiliates, and establish partnerships with similar organizations across the country.
c. Develop and maintain a TBO website and social media accounts.

VI. **Supporting Oklahomans** – this TF will identify the immediate and pressing needs of Oklahomans and coordinate efforts to assist with meeting those needs. This group will set up supports for people who might need assistance to participate in our movement such as: childcare, transportation, legal assistance, meals, ADA compliance etc.

VII. **Priorities by Sector / Topic** – this TF identifies groups, sectors, and topics needing specific action or having special concerns that TBO might be able to support, and works with them to establish mutually beneficial relations. Examples include: Healthcare, Education, Public Safety, Small Business, Transportation, Environmental, Property Rights and Zoning, Faith and Civic Groups, Minority Communities, Retail, Service Industries, etc. This TF could identify topics that need special attention, and recommend a specialized TF to address those topics (e.g. 5G, vaccines, the gig economy, small business loans, First and Fourth Amendment issues, investigative, etc.)
