Terms of Service (TOS) Dramokin Art

Please read these terms carefully before commissioning me. By commissioning me, you agree to these terms.

1. General Guidelines

- I reserve the right to reject any commission request that makes me uncomfortable or goes against my values.
- My artwork is strictly **prohibited** from being used for AI, crypto projects, or NFTs.
- If you are found using any of my artwork—including character designs, commissioned illustrations, or any other pieces— for AI training, generation, or modification, you will be permanently **blacklisted**. This means you will **lose all rights** to the commissioned piece, and you will no longer be allowed to commission or collaborate with me on any future projects.
- My artwork cannot be used for commercial purposes (e.g., selling merchandise) unless explicitly discussed and agreed upon beforehand. Personal use only unless otherwise stated.
- You are free to check on the status of your commission at any time.

2. Payment

- Payment is **upfront**, and I will not begin the commission until payment is received in full.
- Payments are accepted exclusively through **PayPal** or **Ko-Fi**.
- If I do not receive payment within **24 hours** of sending the invoice, your order will be canceled, and you will not be added to the commission queue unless discussed otherwise.

3. Revisions

- Revisions are **only allowed during the sketch phase**. Once you approve the sketch, no further alterations will be made, except for minor details like patterns on clothes, hair adjustments, or fur details.

4. Adoptable and Custom Designs

- Once purchased, you may use and modify my adoptable designs as you wish. However, **proper credit** for the original design must always be given to me.

5. Communication

- I can be contacted through any of my social media linked on my **Carrd**
- Please be respectful and patient; I will do my best to respond promptly and keep you updated on your commission status.

6. Blacklist Awareness

!!Access Blacklist

- Clients are advised to be aware of my blacklist. I will not work with individuals on this list under any circumstances.
- If you are found to be **evading the blacklist**—whether through second, third, or any other parties—**all users involved will be added to the blacklist.**
- I reserve the right to refuse future service and rescind any personal-use licenses for the artwork files provided.
- If the blacklisted individual continues to use the design after rights have been revoked, I will proceed to file a **DMCA takedown.**

Evading the blacklist is taken seriously and will result in permanent removal from any future transactions or collaborations.

7. Refund Policy

- If, for any reason, I cannot complete your commission, I will issue a full refund.
- If, for any reason, the client wants a refund after the sketch was complete. I will issue a 50% refund.
- Refunds are **not available** once the final product has been delivered.

8. Usage Rights

- As the artist, I retain all rights to the artwork I create. This includes the right to use the commissioned piece for promotional purposes, portfolio examples, or social media posts unless otherwise agreed upon.
- If you do not wish for your commission to be shared publicly, please inform me when placing your order.

9. Copyright and Credit

- Do not claim my artwork as your own. Proper credit must be given if the artwork is shared or used online.
- If you wish to use the artwork for commercial purposes, additional fees and agreements will apply.

10. Client Rights

- **Ownership of Character:** The client retains all rights to the characters depicted (unless it is an adoptable/custom design being purchased).

- **Personal Use License:** The client is granted a non-exclusive license to use the final artwork for personal purposes. This includes uploading to social media (with credit), using as an avatar, and printing for personal, non-commercial display.
- **File Standards:** The client has the right to receive a high-resolution, unwatermarked digital file upon completion of the commission.
- **Communication:** The client has the right to be notified of any delays that extend beyond the estimated turnaround time.

By commissioning me, you confirm that you have read and agreed to these terms. Failure to adhere to these terms may result in being blacklisted from future commissions.

Thank you for your support and interest in my art!
