1st Annual Marvin Ridge Alumni Game

Marvin Ridge Baseball is entering its 16th season! We are looking to continue the program's excellence and continue to build the community bond at Marvin Ridge High School. We are excited to have our former players come back to Marvin Ridge and spend some time playing against our current players. There is no charge for playing in the game, but we will be accepting donations (cash or check) to the Marvin Ridge Baseball Program. Please get the word out to all of your former teammates to come out and reconnect with one another and have some fun!
