Please reach out to me in the next 24 hours if you can.

Because 7 of those 12 spots are already gone.

Congrats to:

6. Tony L.
7. John M.

Your spots are saved!

Here's the deal…

My new community and I have decided today as a Founders group to go into this as a team on March 1. This will also be featured in the proven opportunities section of my new platform.

Meaning, you will have a top notch affiliate marketing platform working FOR YOU 24/7.

STORY:

A group of really amazing marketers, some of whom I have known since 2012 are deciding to come into this company as a team.

So, we are building a team ahead of time and all coming into the company together on March 1st to create a mass of momentum right from the start.

I was offered a top 3 spot in a 3x9 matrix.

So, we have the unique opportunity to come in as a team and really be at the top of something special.

Some other quick details (and I will post a video link below)

✅ $50 fast start commissions

✅ $25 matching bonus on all frontline team sales. So, if you bring in Bob and Sue, anytime Bob and Sue generate a sale, you get $25 in weekly fast starts

✅ $10 - $60 TEAM pass up fast start commissions. Meaning, that anytime a person in your organization makes a sale, you can get an extra $10 to $60 through multiple levels based on your rank. That's pretty huge.

✅ Forced 3x9 matrix that pays $4 per person in the matrix. LiveGood pays 25 cents and iCoinPro pays $1 per person as reference. So, this pays 4x - 16x more income.

✅ It's a travel company, and you get paid on all booked travel through your site, even if it's you, plus you get over-rides when travel is booked through a terms members site.

✅ All travel booked is 100% guaranteed to be the best deal, or 110% money back.

✅ They have a legacy program in place where your business can automatically get passed on to your family. You never lose the business, and it turns into generational income.

✅ PROVEN 20 year old+ company that has excellent ratings, and great relationships with the world's leading travel providers and destinations. These aren't second rate, junk condos. These are the same amazing trips you could book to any cruise line, any flight, any resort, any hotel, etc that you'd normally book on Expedia, Travelocity, etc.

Only you can get guaranteed best rates and personal booking help through the company to make sure. Plus, you get paid on the bookings instead of the major services.

Why am I only offering 12 spots?

Truth is, we are as a community going to fill THOUSANDS of spots.

But, ALL of those thousands will drop BELOW the initial 12 and make them filthy rich in residuals.

So, watch the video ASAP and get back to me ASAP to secure one of the remaining 6 spots.

I'd need an answer on this in the next 24 hours, so we can get you placed as we build before the March 1 team launch.

I truly think this is special, and the biggest thing I will ever build. And that's saying a. lot.

See you in the top 12 future Richie Rich. 😃
