August 24, 2026

Dear FHPS Parent/Guardian,

As part of our district's ongoing commitment to providing high-quality instruction for all students, we are conducting a thorough review of our K-5 Spanish immersion literacy curriculum this school year. Our goal is to ensure that literacy instruction and curriculum materials are evidence-based and aligned with the science of reading, thereby improving outcomes and helping students achieve reading proficiency. An essential part of this process is allowing our teachers to pilot high-quality materials in real classrooms.

We are currently at a phase in the process where piloting classroom resources will begin. We are thrilled that your child's teacher has volunteered to participate in this process. This will allow us to gather valuable feedback from teachers and students, observe how well each program supports our learners, and make an informed decision about the curriculum that best meets the needs of our school community.

During this pilot period, you may notice changes in some classroom materials, routines, or instructional approaches. These shifts are a regular part of the review process, and teachers will continue to ensure that students receive strong, consistent literacy instruction throughout the process. The review process will help shape future literacy instruction in Forest Hills Public Schools.

Your child's classroom will start the year off with Amplify Caminos. Caminos aligns with the K-5 literacy program Amplify CKLA, which is currently being used in all K-5 classrooms at our other FHPS elementary schools.

Thank you for your partnership as we work together to select the very best resources for our students. Do not hesitate to contact your child's teacher if you have any questions.

Sincerely,

*The Instruction Office Team*

**Scott Haid,** Assistant Superintendent for Instruction
**Kim Van Antwerp,** Director of Elementary Instructional Services
**Tamasha James,** Director of Student Success
**Sarah Dawson**, Director of Student Services
