PROFESSIONAL EXPERIENCE

App Development Intern
70-hour Internship with a partner company through the *B-Experienced Programme*

POCAdvisor
University of Birmingham
September 2026 - November 2026

- *Won the single available position out of thousands of University of Birmingham applicants through a competitive, multi-stage application process and technical interviews.*
- *Supported the preparation and launch readiness of a mobile application designed to assist travellers of colour in making informed travel decisions.*
- *Executed end-to-end testing across core user journeys—including registration, sign-in, destination searches, and review submissions—to ensure platform stability.*
- *Identified, documented, and prioritised software bugs systematically, retesting fixes in close collaboration with the CEO/Founder and technical team.*
- *Contributed to app store launch planning, organised University of Birmingham study-abroad reviews, and developed student network outreach strategies.*
- *Analysed user onboarding and engagement flows to recommend user experience improvements and optimize early retention.*

Arrivals Customer Service Assistant
Car Parking Team member for Student Accommodation Arrivals

Student Living
University of Birmingham
September 2026

- *Supported student arrivals and car parking operations during the University's September intake, helping ensure an organised and efficient arrival experience for students and their families.*
- *Assisted with car parking arrangements, directing arriving vehicles and helping manage parking and traffic flow around the accommodation site.*
- *Provided customer-facing support and guidance to students, families and visitors, responding to enquiries and helping them navigate arrival procedures.*
- *Collaborated with colleagues and supervisors to coordinate arrivals logistics, manage operational demands and maintain an efficient service during peak periods.*
- *Helped create a welcoming first impression of the University by delivering friendly, professional and culturally sensitive customer service.*
- *Demonstrated teamwork and communication while supporting busy, time-sensitive campus operations.*

Welcome 2026 Team Member
Student Welcome, Accommodation Arrivals and Operational Support

Guild of Students - Residence Life
University of Birmingham
September 2026

- *Supported the University's student arrivals period, helping incoming students settle into their accommodation and navigate the arrival process.*
- *Worked collaboratively with the Residence Life Team and Senior Welcome Team members to support the smooth coordination of arrivals activities.*
- *Assisted with on-site operations, following shift briefings and guidance to ensure an organised and welcoming experience for students.*
- *Conducted friendly follow-up visits to student flats in the days following arrivals, helping new residents settle into their accommodation and feel welcomed and supported.*
- *Introduced students to the Residence Life Team, explaining its role, available support and opportunities for engagement throughout their time in University accommodation.*
- *Provided residents with essential accommodation information, including residence rules, facilities, services, application and practical guidance on living in University accommodation for the day-to-day life at the University.*
- *Distributed helpful resources and posters, including cleaning rota guidance and flatmate agreement materials, to encourage shared responsibility, effective communication and respectful communal living.*
- *Encouraged positive relationships between flatmates by promoting clear expectations, cooperation, cleanliness and mutual respect within shared accommodation.*

Student Ambassador
International Student Engagement, Summer Programme Support and Event Logistics

Birmingham International Academy (BIA)
University of Birmingham
July 2026 - September 2026

- *Supported the delivery of social activities, excursions and events for international students attending the Birmingham International Summer School (BISS) and Pre-sessional English (PSE) programmes.*
- *Assisted with the logistical coordination of student trips and activities, helping ensure smooth arrangements and positive participant experiences.*
- *Welcomed and engaged with students from diverse cultural and educational backgrounds, providing friendly support and promoting an inclusive environment.*
- *Contributed to event preparation, venue setup, decorations and logistical arrangements for both simple and large-scale student events throughout the summer programmes.*
- *Supported the coordination and delivery of the BIA Final Ball, a major end-of-summer event bringing together students and programme participants.*
- *Assisted with entertainment activities, food service and full management for activities operations to ensure an enjoyable and well-organised experience for attendees.*
- *Collaborated with the BIA team, programme staff and the leader social team to deliver activities professionally and respond to operational needs.*

English Author (Storyteller)
Storytelling, Opinion and Feature Writing based on lived experiences and genocide realities.

Al Jazeera English
Prism Report
We Are Not Numbers

Washington Report
June 2025 - December 2025

- *Representing underreported voices and communities through responsible and advocacy-driven journalism.*
- *Researching and drafting feature articles, opinion pieces, and narrative essays for international audiences.*
- *Translating complex socio-political realities into accessible, compelling, and grounded storytelling.*
- *Conducting interviews and incorporating firsthand accounts to ensure authenticity and accuracy.*
- *Collaborating with editors to refine structure, tone, and alignment with each platform's editorial standards.*
- *Communication and dealing closely with editors for every article in each platform to shape a final draft to publish.*
- *Fact-checking and ensuring content credibility in sensitive and high-impact topics.*

- *Strategically framing stories to maximize awareness and international reach.*

Flutter Mobile App Developer — **Freelance Platforms**
October 2023 - October 2025

Mobile app development and programming, delivering scalable, API-integrated, and user-centered apps across diverse platforms.
Portfolio: https://logain7amdan.netlify.app/

- Collaborated remotely with clients, designers, and backend developers to ensure timely delivery and high-quality standards.
- Designed and developed full-featured mobile applications including restaurant management systems, e-commerce platforms, classified ads marketplaces, educational platforms, real-time sports tracking apps, and social networking solutions.
- Built and integrated secure authentication systems, cloud synchronization, RESTful APIs, real-time data handling, and role-based access control.
- Developed complex UI/UX interfaces with over 65+ screens in large-scale applications, ensuring responsiveness, accessibility, and performance optimization.
- Engineered interactive and gamified applications with timers, animations, audio feedback, and dynamic state management.
- Focused on "clean architecture", modular code structure, and scalable backend integration for long-term maintainability.
