International Conference on Christian Phenomena (ICPC26)

Paper Title Template

<<Anonymous For Blind Review>>

Abstract

Provide a 150–250 word abstract summarizing your paper. Adhere to abstract norms for academic writing.

Keywords

Include 3–6 keywords.

1. Introduction

Introduce your research question and explain the context.

2. Literature Review

Discuss key studies and situate your work in existing scholarship.

3. Methodology

Explain the methodological approach, data, and analytical framework.

4. Results / Expected Results

Present findings or expected outcomes.

5. Discussion

Interpret the results and relate them to the literature.

6. Conclusion

Summarize contributions, limitations and suggest future research directions.

References (Harvard Style)

Use Harvard style for all in-text citations and the reference list.

The Bibliography should be auto generated. If unsure about how to achieve this, research *Microsoft Word Referencing Feature* online.

Formatting Guidelines

- Font: Times New Roman, 12 pt
- Line spacing: 1.5
- Margins: Standard 1 inch (2.54 cm)
- All submissions must be in English
- Use Harvard reference style only
- Label tables above (Table 1: Title) and figures below (Figure 1: Caption) 10pt Italic.
