Please check the box to confirm the readiness of your submission.

☐ I have prepared the complete article according to the format and guidelines specified by the journal's editorial board, with a maximum length of 15 A4 pages. It will be submitted along with this intent form through the online system. https://so01.tci-thaijo.org/index.php/aja

☐ I hereby confirm that I have reviewed the research ethics, the accuracy of the article, the format, the references, and the copyrights as specified by the journal at https://so01.tci-thaijo.org/index.php/AJA/about/submissions

☐ I certify that this submitted article has not been previously published elsewhere, nor is it under consideration by any other journal.

☐ I certify that the content of this article represents truthful reporting of research studies without distortion or provision of false information.

☐ I certify that the article has been thoroughly checked for plagiarism, ensuring originality and integrity.

☐ I certify that proper in-text citations have been included for the works of others, should they have been utilized in this manuscript, and that the bibliography has been correctly compiled at the end of the article.

☐ I certify that all authors listed in the article have contributed substantially to the research study.

☐ I specify the funding sources that supported this research study, if any, and provide evidence of consent to publish data from the research sponsors.

☐ I have reviewed and certified the ethical compliance with human research ethics, animal research ethics, and/or other relevant research ethics committees for this research project.

☐ I have submitted the article as a Microsoft Word file, formatted according to the template provided by the journal.

☐ I have thoroughly reviewed the article to ensure completeness, clarity of illustrations, and compliance with the formatting requirements specified by the journal.
