PETITION TO REMOVE TRUCKS FROM HIGHWAY 401

To The Legislative Assembly Of Ontario,

WHEREAS traffic congestion on Highway 401 is a longstanding issue in the Greater Toronto area; and
WHEREAS Highway 407 was intended to be a truck by pass around Toronto to reduce traffic on Highway 401; and
WHEREAS truck traffic represents 30% of the traffic on Highway 401 and takes up more than 30% of the road; and
WHEREAS current congestion on Highway 401 is frustrating, reduces economic activity, increases costs and risks for all road users; and
WHEREAS commercial vehicles and trucks rarely use Highway 407 due to high toll rates.

THEREFORE we, the undersigned, petition the Legislative Assembly of Ontario to:
Encourage commercial vehicle and truck use of Highway 407 by establishing a Provincial subsidy for truck tolls thereby immediately reducing congestion, frustration, costs and increasing road safety for all Highway 401 users.
