STACK TIME

Privacy Policy

Publisher: Aras Studio | Package: com.stackgame.app | Last Updated: March 2026

1. Introduction

Stack Time ("the App") is a mobile stacking/strategy game developed by Aras Studio and published on Google Play under the package com.stackgame.app. This Privacy Policy explains how your personal data is collected, used, and protected when you use the App.

By downloading or using the App, you agree to this policy. If you do not agree, please do not use the App.

2. Data We Collect

2.1 Automatically Collected Data

The App may automatically collect the following technical data:

- Device type, operating system version, and model information
- App version and session duration
- In-game progress data (level, score, streak info, seasonal event status)
- Streak Shield and other special item usage status
- Crash reports and error logs

2.2 Advertising & Analytics

The App may use third-party advertising networks and analytics services (e.g. Google AdMob, Firebase). These services may collect:

- Advertising ID (GAID)
- Usage statistics and in-app events
- General location (country/region level)

2.3 Purchase Data

In-app purchases (e.g. Streak Shield) are processed through Google Play. Payment information is handled exclusively by Google; Aras Studio does not access or store any payment or card details.

2.4 Data We Do Not Collect

Aras Studio does not directly collect or store the following:

- Name, surname, email address, or phone number
- Precise location data (GPS)
- Payment or financial information

3. How We Use Your Data

Collected data is used solely for the following purposes:

- Improving game performance and fixing bugs
- Ensuring the seasonal event system (WINTER, SPRING, SUMMER FIRE, AUTUMN) functions correctly
- Tracking streaks and milestones and delivering rewards accurately
- Personalizing the user experience and maintaining game balance
- Displaying ads and measuring ad effectiveness
- Analyzing app usage statistics

4. Third-Party Services

The App may use third-party services that have their own privacy policies:

- Google Play Services – play.google.com/about/privacy
- Google AdMob – policies.google.com/privacy
- Firebase Analytics – firebase.google.com/support/privacy
- Google Play Billing – payments.google.com/payments/apis-secure/get_legal_document?ldo=0&ldt=privacynotice

These third-party services operate independently of Aras Studio and may process data according to their own policies.

5. Children's Privacy

Stack Time is not designed for children under the age of 13. We do not knowingly collect personal data from users under 13. If you believe your child has shared data with us, please contact us and we will promptly delete it.

6. Data Security

We apply industry-standard security measures to protect your data. However, please note that no method of transmission over the internet or electronic storage is 100% secure.

7. Your Rights

You have the following rights regarding your personal data:

- Request access to your data
- Request correction of inaccurate data
- Request deletion of your data

- Reset your Advertising ID or disable ad tracking (via device settings)
- View your purchase history via Google Play

8. Policy Changes

This Privacy Policy may be updated from time to time. Significant changes will be announced via in-app notifications or update notes. You can always find the latest version of this policy in this document.

9. Contact

For any questions regarding this Privacy Policy, please contact us through the following channel:
