What is this club?
The Finer Things Club/ Humanities Club/ Book Club reads at least one book per semester, and we also talk about pop culture—what we're currently reading, watching, listening to. Frequently, club members do hobby talks and teach us a skill, such as crocheting or making origami. We also make it a goal to meet authors and hear them speak when they come to Lawrence.

When will we meet?
Every other TUESDAY right after school in room 306 with Ms. Johnston
