TEAM 6 - HOMEWORK CALENDAR

FRIDAY Nov 20, 2026	
ELA	**Today in Class** Students were given the questions that will be used in Monday's Summative. They could use the worksheets to develop a plan for answering the questions in the fishbowl discussion. **Homework** Vocabulary Formative Monday; Wayground available on Google Classroom.,
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** We went over yesterday's balloon models and cause and effect graphic organizer. Update: Summative will NOT be on Monday. It will be on Tuesday, AFTER our break. **Homework** None **What To Do If Absent** We will catch you up on Monday
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY Nov 19, 2026	
ELA	**Today in Class** We prepared for the Fishbowl Summative planned for Monday **Homework** None. I didn't get the vocab finished! No formative tomorrow.

Social Studies	**Today in Class** **Homework**
Science	**Today in Class** **Homework** **What To Do If Absent**
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

WEDNESDAY **Nov 18, 2026**	
ELA	**Today in Class** We read *The Outsiders*. **Homework** Finish the novel.
Social Studies	**Today in Class Finished Globalization packet** **Homework; If not finished with Globalization packet, complete it.**
Science	**Today in Class** We went over yesterday's process page and what information should be included on it. **Homework** None, BUT... Summative next Monday **What To Do If Absent** Make sure yesterday's process page on 36 & 37 is complete
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

TUESDAY	Nov 17, 2026
ELA	**Today in Class** Students read chapter 9. **Homework** Using the slideshow on Google Classroom, fill in the correct definitions on vocabulary chapters 9-12.
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** **Homework** **What To Do If Absent**
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

MONDAY	Nov 16, 2026
ELA	**Today in Class** Fishbowl Formative Chapters 1-8 **Homework** none
Social Studies	**Today in Class** **Homework**
Science	**Today in Class**

	Homework **What To Do If Absent**
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

FRIDAY Nov 13, 2026	
ELA	**Today in Class** Students looked for textual evidence for the challenges the characters face. **Homework** Formative Vocabulary and Fishbowl Monday
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** Today we took a formative about particles. After the formative we corrected last night's PhET booklet. (Per 4 worked on their booklet) **Homework** Per 4: Make sure you finish your Phet Booklet if you didn't finish in class today. Here is the booklet and here the website that goes with it. Per 2,3,6,7: None **What To Do If Absent** None - we will catch you up on Monday (but make sure your PhET booklet is done.)
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY Nov 12, 2026	
ELA	**Today in Class** We listed challenges the characters are facing and the choices they make. **Homework** Wayground Vocabulary Practice
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** We made sure the journal was all up to date and then we began investigating different relationships related to gas pressure. We investigated the relationships with the help of a PhET simulation. At the end of the class students were told what would be on tomorrow's formative. **Homework** 1. Finish all 5 data tables in today's booklet. Here is the link to the simulation ** the first data table inside the booklet is the hardest, do it last** 2. We have a formative tomorrow that covers pages 31, 32, and 33 in the journal **What To Do If Absent** Go to this website and click on the "Intro" box. Play around with the different buttons and tools. While playing, answer the following questions: 1. What happens to pressure if you increase or decrease the number of particles? 2. What happens to pressure if you increase or decrease the temperature? 3. What happens to pressure if you increase or decrease the size of the box? 4. What is the connection between pressure and wall collisions? 5. List the different ways you change the pressure inside the box.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

TUESDAY Nov 10, 2026	
ELA	**Today in Class**

	Ms. Taylor and Ms. Sloan joined us today to talk about how the characters' actions in *The Outsiders* may be masking other emotions. It was a very interesting and illuminating activity. **Homework** Read/Listen to chapter 8
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** We went over last night's bottle models and ear popping models. We then used suction cups and explained how suction cups work. **Homework** No homework **What To Do If Absent** We will catch you up tomorrow.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

MONDAY **Nov 9, 2026**	
ELA	**Today in Class** We headed to the library for a change of location. We read chapter 7 in *The Outsiders.* **Homework** Chapter 7
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** **Homework** **What To Do If Absent**

Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY **Nov 5, 2026**	
ELA	**Today in Class** Students analyzed "Nothing Gold Can Stay," by Robert Frost. **Homework** Ropes Course Postponed until further notice.
Social Studies	**Today in Class Students are working on the Government and citizenship choice board Summative See google classroom for instructions. Due on 11-10.** **Homework**
Science	**Today in Class** We modified yesterday's rule for what will make a "W.o.W" move. We also worked on making a model of an "empty" capped bottle on a table. Here is today's slideshow. **Homework** No homework, but did you turn in your Air CER Summative on Oct. 30? Check Google Classroom to make sure! **What To Do If Absent** Review today's slideshow.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

WEDNESDAY **Nov 4, 2026**	
ELA	**Today in Class** Students analyzed the narrator's POV.

	Homework Read chapter 2. Audio and a PDF of chapters can be found on Google Classroom.
Social Studies	**Today in Class Complete Global Citizenship (1 pager) and began Government and Citizenship Summative Choice Board** **Homework Complete Global Citizenship 1 pager**
Science	**Today in Class** We wrapped up some loose ends in our journal by making sure pages 24 - 29 were filled in. We then began talking about the "Wall on Wheels". **Homework** No homework, but did you turn in your Air CER Summative on Oct. 30? Check Google Classroom to make sure! **What To Do If Absent** We will catch you up tomorrow
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

MONDAY **Oct 26, 2026**	
Tuesday	Timber Tuesday: Break out your favorite fall flannels
Wednesday	Power Pink Wednesday: Wear pink to support Breast Cancer Awareness Month
Thursday	Fall-O-Ween Thursday: Show off your Halloween gear, pumpkin styles, or fall colors. Remember, no Halloween costumes.
Friday	Fall Fest Friday: Show your grade-level pride. 6th grade wears red 7th grade wears BLACK, and 8th grade wears orange.
ELA	**Today in Class** Students analyzed the narrator's POV. **Homework** Read chapter 2. Audio and a PDF of chapters can be found on Google Classroom.
Social Studies	**Today in Class A trip around the world. Comparing countries constitutions** **Homework Complete Trip around the world**
Science	**Today in Class** **Homework**

	What To Do If Absent
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

FRIDAY **Oct 23, 2026**	
Reminders: **Next week is CMS Spirit Week** **Monday** Minion Monday: Wear blue and yellow or go full Minion! **Tuesday** Timber Tuesday: Break out your favorite fall flannels **Wednesday** Power Pink Wednesday: Wear pink to support Breast Cancer Awareness Month **Thursday** Fall-O-Ween Thursday: Show off your Halloween gear, pumpkin styles, or fall colors. Remember, no Halloween costumes. **Friday** Fall Fest Friday: Show your grade-level pride. 6th grade wears red 7th grade wears BLACK, and 8th grade wears orange.	
ELA	**Today in Class** Chapter 1 of *The Outsiders.* **Homework** none
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** **Homework** **What To Do If Absent**
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY Oct 22, 2026

Reminders:

Next week is CMS Spirit Week

Monday Minion Monday: Wear blue and yellow or go full Minion!
Tuesday Timber Tuesday: Break out your favorite fall flannels
Wednesday Power Pink Wednesday: Wear pink to support Breast Cancer Awareness Month
Thursday Fall-O-Ween Thursday: Show off your Halloween gear, pumpkin styles, or fall colors. Remember, no Halloween costumes.
Friday Fall Fest Friday: Show your grade-level pride. 6th grade wears red 7th grade wears BLACK, and 8th grade wears orange.

ELA	**Today in Class** We studied vocabulary linked to the novel *The Outsiders*. We will begin reading tomorrow. **Homework** none
Social Studies	**Today in Class Reviewed part of Citizenship: Just the Facts** **Homework: All of citizenship just the facts are due Friday**
Science	**Today in Class** 1.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

TUESDAY Oct 20, 2026

Reminders:

Tomorrow is Picture Retake Day

Next week is CMS Spirit Week

Monday Minion Monday: Wear blue and yellow or go full Minion!
Tuesday Timber Tuesday: Break out your favorite fall flannels
Wednesday Power Pink Wednesday: Wear pink to support Breast Cancer Awareness Month
Thursday Fall-O-Ween Thursday: Show off your Halloween gear, pumpkin styles, or fall colors. Remember, no Halloween costumes.
Friday Fall Fest Friday: Show your grade-level pride. 6th grade wears red 7th grade wears BLACK, and 8th grade wears orange.

ELA	**Today in Class** **Homework**

Social Studies	**Today in Class Reviewed the difference and similarities of North and South Korea** **Homework**
Science	**Today in Class** We went over particle movement and then observed how fast food coloring is moved around in different temperatures of water. **Homework** None.... Unless you are planning on retaking the recent summative. The Required Relearn work can be found posted in Infinite Campus. **What To Do If Absent** 2. Go through this quick slideshow 3. Print off or open up this sheet in Kami. 4. Watch this video of a demonstration similar to the one from class today. As you watch the video, take observations down on the document from step #2.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

MONDAY **Oct 19, 2026**	
ELA	**Today in Class** **Homework**
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** We went over what air is made up of, atmospheric pressure, and did an introduction to the Periodic Table of Elements. **Homework** None.... BUT..... If you are planning on retaking the recent summative, make sure you complete your Relearn Work (posted in Infinite Campus) before Thursday at 2:10 pm.

	What To Do If Absent 1. Watch this video 2. Look through this slideshow
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY **Oct 15, 2026**	
ELA	**Today in Class** Students practiced a fishbowl conversation **Homework** One pager due tomorrow
Social Studies	**Today in Class Formative assessment on government.** **Homework Review for a summative assessment on Friday 10-16.**
Science	**Today in Class** We did a card sorting activity related to matter and defined matter as, "Anything that has mass and takes up space (has volume). Some classes then were able to start looking at air and deciding if air was matter. (Classes not getting to it today will do it during the next class) **Homework** None... Unless you are planning on retake the recent Summative. If you are, make sure you are doing the Relearn Work posted in Google Classroom. **What To Do If Absent** We will catch you up when you return!
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

WEDNESDAY **Oct 14, 2026**

ELA	**Today in Class** Students continued work on a project worth a summative grade. They are creating a one page visual analysis of the 4 short stories we have read in class. **Homework** One Pager Summative due Friday.
Social Studies	**Today in Class: Students corrected handout Who rules? And reviewed for a formative assessment on governments tomorrow. Summative assessment will be on Friday** **Homework Review for formative assessment.**
Science	**Today in Class** 1. Our recent summative was handed back today. We went over the common mistakes and how things are graded. Students that earned below a "Proficient" on the summative were also given a sheet that was stapled to their rubric. The sheet went over how a student can do the Relearn/Retake process and potentially raise the grade of their summative up to a "Proficient". Here is a blank copy of the sheet. 2. We began our new unit today! We watched a demonstration of a bottle collapsing inward and created a model that showed our initial thoughts about what we think caused the bottle to collapse. **Homework** 1. Finish the model from class (but students were given time to work on it and I think all students finished!) **What To Do If Absent** 1. When you return, see Mrs. Ford for your summative and for a demonstration of the bottle collapsing.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

TUESDAY	**Oct 13, 2026**
ELA	**Today in Class** Students continued work on a project worth a summative grade. They are creating a one page visual analysis of the 4 short stories we have read in class.

	Homework none
Social Studies	**Today in Class: Reviewed types of government and began Who rules. Formative assessment on government on Thursday, summative assessment on Friday.** **Homework; Complete handout Who rules**
Science	**Today in Class** 1. We retook the last page of Thursday's summative 2. We looked over our Gummy Bear Lab data **Homework** 1. Complete the assignment posted on Google Classroom called: "19 Gummy Bear: Simple CER Formative" **What To Do If Absent** 1. Complete the assignment posted on Google Classroom called: "19 Gummy Bear: Simple CER Formative"
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY **Oct 8, 2026**	
Reminder: No school tomorrow or Monday	
ELA	**Today in Class** Students continued work on a project worth a summative grade. They are creating a one page visual analysis of the 4 short stories we have read in class. **Homework** none
Social Studies	**Today in Class Finished Types of Government** **Homework**
Science	**Today in Class** 1. We took our Summative today

	Homework 1. None (unless you are missing work) **What To Do If Absent** 1. Be prepared to take your summative on Tuesday (unless you have been absent multiple days this week)
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

WEDNESDAY **Oct 7, 2026**	
ELA	**Today in Class** Students began a project worth a summative grade. They are creating a one page visual analysis of the 4 short stories we have read in class. **Homework** none
Social Studies	**Today in Class Students worked on Type of Government handout** **Homework; Handout on types of government due on Tuesday**
Science	**Today in Class** 1. We went over last night's Review Packet and answered any lingering questions **Homework** 1. Summative tomorrow - Study Guide **What To Do If Absent** 1. Be prepared to take tomorrow's summative
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

TUESDAY **Oct 6, 2026**

ELA	**Today in Class** **Homework**
Social Studies	**Today in Class :Reviewed the theories of Hobbes and Locke.** **Homework None.**
Science	**Today in Class** 1. We went over last night's homework on page 20 2. We worked on our Review Packet for Thursday's Summative **Homework** 1. Finish your Review Packet 2. Summative on Thursday - Study Guide **What To Do If Absent** 1. Complete this Review Packet (print it off or open it up in Kami)
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

MONDAY **Oct 5, 2026**	
ELA	**Today in Class** We used 20 minutes of class to read silently and do I-Ready. We created statements of theme for our stories. **Homework** I-Ready if not finished.
Social Studies	**Today in Class Reviewed and corrected Sovereign State** **Homework**
Science	**Today in Class** 1. Thursday's Summative Study Guide was handed out today 2. Friday's formative was handed back today and we went over the scoring rubric 3. We went over Direct and Inverse Relationships

	Homework 1. On page 20 of your journal, write 5 examples of a Direct Relationship 2. On page 20 of your journal, write 5 examples of an Inverse (Indirect) Relationship **What To Do If Absent** 1. Be prepared to take your Summative on Thursday 2. Tomorrow, ask Mrs. Ford for your Formative to be passed back
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY **Oct 1, 2026**	
ELA	**Today in Class** **Homework**
Social Studies	**Today in Class Reviewed and corrected Sovereign State** **Homework**
Science	**Today in Class** 4. We checked off that the pre-lab work was filled in on pages 18 & 19 in the journal 5. We conducted day 1 of our Gummy Bear Lab! 6. We took the first part of our Formative **Homework** 3. Part 2 of our Formative is tomorrow - Study Guide **What To Do If Absent** 3. Be prepared to take your formative tomorrow - Study Guide 4. Tomorrow you will need to copy today's Gummy Bear data from your lab partners
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

WEDNESDAY Sep 30, 2026	
ELA	**Today in Class** Students continued looking for text evidence of characterization. **Homework** Pass one I-Ready reading lesson by Thursday.
Social Studies	**Today in Class: Worked on Sovereign State and roles of government.** **Homework: Sovereign state due Oct. 1 at end of class.**
Science	**Today in Class** 1. We corrected the 3 graduated cylinder problems on page 8 in the journal (answers) 2. We went over tomorrow's Gummy Bear Lab 3. We broke up into our Gummy Bear Lab groups and completed the necessary pre-lab work found on pgs 18 & 19 in the journal. **Homework** 1. Make sure pages 18 & 19 in the journal are completed 2. Remember we are taking the first part of the Formative tomorrow - Study Guide **What To Do If Absent** 1. Look at this overview of the Gummy Bear Lab 2. Fill in the information on this document
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

TUESDAY Sep 29, 2026	
ELA	**Today in Class** Students did a second read of the story looking for text evidence of characterization. **Homework** Pass one I-Ready reading lesson by Thursday.
Social Studies	**Today in Class Completed assignment Paradise Island**

	Homework Complete above assignment if you have not yet finished it.
Science	**Today in Class** 1. At the start of class we completed a practice problem. We had to identify the controlled variables, the independent variable, and the dependent variable for a given scenario. 2. We corrected last night's homework 3. We went over how to read a graduated cylinder - Here is the slideshow **Homework** 1. Finish the 3 graduated cylinder problems on the back of the booklet taped onto page 8 in your journal. (Here is a copy of the document) 2. Formative on Thursday - Study Guide **What To Do If Absent** 1. Go through this slideshow and complete this document about graduated cylinders.
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

MONDAY **Sep 28, 2026**	
Reminder: T-Shirt Designs due TOMORROW during Homeroom	
ELA	**Today in Class** We read "On The Bridge," a short story about the trials of trying to be cool. **Homework** Pass one I-Ready reading lesson by Thursday.
Social Studies	**Today in Class** **Homework**
Science	**Today in Class** 1. At the start of class we completed a practice problem. We had to identify the controlled variables, the independent variable, and the dependent variable for a given scenario. 2. Our recent Formative was handed back and we went over the common mistakes. 3. We corrected Friday's Graphing Booklet (answer key) 4. We went over what will be on Thursday's Formative 5. We began our Homework **Homework**

	1. "Putting It All Together" sheet is due before the start of class tomorrow 2. Snowmobile CER should have been turned in before 2:10 pm today. 3. Formative on THURSDAY **What To Do If Absent** 1. Print off or use Kami to complete this assignment: "Putting It All Together" 2. Look at the Study Guide for Thursday's Formative
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

FRIDAY **Sep 25, 2026**	
ELA	**Today in Class** Students acted out indirect characterization. **Homework** Have fun!
Social Studies	**Today in Class** Paradise Island project due Tues. 8-29. **Homework**
Science	**Today in Class** We went over last night's Data Table Practice worksheet. We discussed how units need to be included in their data table titles. Then we went over how to create a graph from a data table. Here is the slideshow from class. Students then practiced setting up a graph by completing a graphing worksheet. **Homework** 1. Complete the **"7 CER Formative (snowmobiles)"** found in Google Classroom. This is due MONDAY by 2:10 pm. **What To Do If Absent** 1. Review this slideshow about Graphing 2. Complete 2 graphs on this practice worksheet (you can open it up in Kami and type directly on the worksheet
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

THURSDAY Sep 24, 2026	
ELA	**Today in Class** We polished out personal narratives, Explode The Moment. **Homework** Finish final draft for printing in class.
Social Studies	**Today in Class Paradise Island Project due on Sept. 29.** **Homework**
Science	**Today in Class** We went over where to locate the Team 6 Homework calendar and then how to create a data table for an experiment. Here is the slideshow from class. **Homework** 2. Finish today's worksheet "Data Table Practice" 3. Complete the **"7 CER Formative (snowmobiles)"** found in Google Classroom. This is due MONDAY by 2:10 pm. 4. If you didn't finish last night's Wayground HW, please finish it *(see yesterday's homework found down below)* **What To Do If Absent** 1. Go over this slideshow 2. Complete the worksheet "Data Table Practice" 3. Reminder: the CER Formative (snowmobiles) is due Monday!
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**

WEDNESDAY Sep 23, 2026	
ELA	**Today in Class** **Homework**

Social Studies	**Today in Class** **Homework**
Science	**Today in Class** We took our Science Skills Formative #1 and then we went over independent, dependent, and controlled variables. Here is the slideshow from today's class. **Homework** 1. **Complete "9 Variable Practice #1"** found in Google Classroom. This is due TOMORROW. You MUST earn at least an 85% to earn credit, but you can take it as many times as you need! Here is a copy of the "Cheat Sheet" found on page 12 of your journal. (The information on the first page can help you!) 2. Complete the **"7 CER Formative (snowmobiles)"** found in Google Classroom. This is due MONDAY by 2:10 pm. **What To Do If Absent** 1. Go over this version of the slideshow from class today (not the one listed above) Complete the work posted above in the Homework section
Math Mrs. LaDue	**For details please view today's slide HERE, then click on today's date.**
