Paid Leadership Position focused on Climate Solutions

Are you ready to be a climate solutions leader? Join the Our Future "Regional Leaders" team!

The overall Our Future program is a statewide network of students involved in team building, idea generation, planning, climate action, civic engagement/service learning, and having some fun. Students who are involved are making positive change in the world! The Regional Leaders is a special team within the Our Future network that guides the success of the team within a region.

Some Regional Leaders activities include:

- Develop and implement projects that reduce greenhouse gas (GHG) emissions, and find ways to address climate justice.
- Create articles and posts for Instagram, Facebook, and the Our Future website.
- Find new “members” for Our Future, and get them involved in the team’s activities.
- Contact various organizations throughout Oregon, and find meaningful ways to collaborate with them.

This is a great way to meet with other students across the state, and prepare yourself for college or careers. If you are a freshman, sophomore or junior, Partners for Sustainable Schools (PSS) wants to hear from you!

- This internship with Our Future will require a total of approximately 4 hours per week, between Oct. 2024 and May 2025. (There is also a part time internship available.)
- This is a paid internship and includes a stipend of up to \$1000 for students who are full-time, and fully participate in project team activities.
- Students on the “regional leaders” team will gain valuable experience, and have the opportunity to make a difference.

If interested please fill out the application ASAP (Priority Deadline June 10, 2024), and we will contact you very soon! ([Click Here to Apply Now](#))

First Ever US formula E Girls on Track Event

We are excited to invite you to a groundbreaking event coming to the United States for the first time: the Formula E Girls on Track event! This unique program, developed by the FIA—the governing body of Formula 1 and Formula E—focuses on empowering the next generation of female participants in STEM careers within the racing industry.

On June 29th and 30th, Formula E will arrive in Portland, bringing international participants from around the world. Previous Girls on Track events have been held in cities like Shanghai, London, Berlin, and Mexico City. Now, it's our turn to host this incredible event right here in the U.S. **The event will take place on June 26th and/or 27th, leading up to the race.**

Don't miss out on this fantastic opportunity to be part of a historic event. Join us for a day of inspiration, learning, and fun, as you explore the exciting world of racing and STEM.

The link to sign up is here - more information will be sent once you sign up!
