REQUEST FOR BATHROOM ACCOMMODATION

The Johnston Community School District is required by law to designate multiple occupancy restrooms and changing areas, and other school facilities/settings where a person may be in various stages of undress in the presence of others, for use by persons of the same biological sex as listed on their birth certificate.

A student who, for any reason, desires greater privacy and whose parent or legal guardian provides their consent may submit a request to school officials for access to alternative facilities, which may include:

- Access to a single occupancy restroom or changing area;
- Access to a unisex single occupancy restroom or changing area by one student at a time; or
- Controlled use of faculty multiple occupancy restroom or changing area or a single occupancy restroom or changing area.

By signing this Request for Bathroom Accommodation, you represent that your child desires greater privacy and you consent to their access to alternative facilities.
