Entering Semester: Fall 2017
Date:

For each semester, please list the course number and title, and *indicate a course by star if it is intended for a core course*. Note that you must fill in the courses that you plan to take in the first semester. If you are not sure about the courses in future semesters, you can leave them empty, or partially filled in. We recommend you to complete the 2 core courses in the first two semesters. Please email your completed plan to xkchen@nyu.edu . You will not be able to register until we approve your plan and remove your advising hold. Please review the MS program requirement in the ECE graduate student manual and the planned course offering at http://engineering.nyu.edu/academics/departments/electrical/student-resources
