Superintendent's

EDUCATION UPDATE | March 10, 2023

Teaching & Learning

Congratulations to our elementary after-school tutoring program, Springboard Collaborative! The Randolph Public Schools (RPS) Springboard program was recognized for outstanding implementation and results by the Department of Education on Thursday, March 2nd.

Thank you to the incredible RPS Springboard teachers and leaders! Below: The RPS team, Springboard Team and DESE team, including Commissioner Riley!

Below: RPS Springboard leaders Elizabeth Fitzgerald and Natan Kotlyar

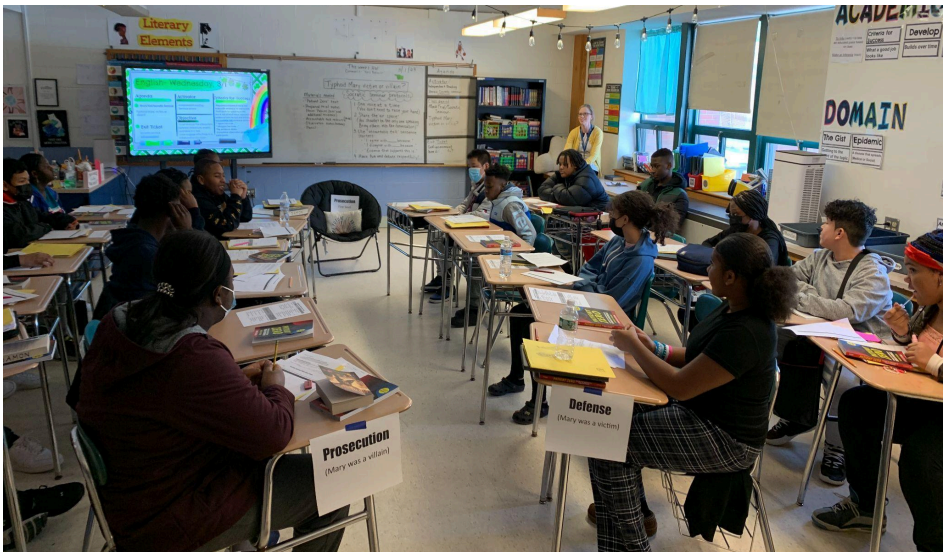
ELA Update

Recently a group of RCMS educators visited 5th grade classrooms at Donovan Elementary School to observe the skillful implementation of EL Education. The focus of the visit was to observe student ownership of learning!
Pictured below are the visiting team of educators from RCMS.



Ms. Damon and Ms. Manos' Grade 7 ELA class recently led a Mock Trial/Socratic Seminar on the topic of Typhoid Mary: Victim or Villain? The students were prepared, engaged, and persuasive!

Math Update

Ms. Phinney's 4th grade class at Lyons Elementary School created art pieces made up of angles! Students were able to use a protractor to measure the angles, identify the type of angle and be creative with their art.

RANDOLPH PUBLIC SCHOOLS
FEBRUARY VACATION
IREADY COMPETITION
WINNERS

i-Ready

Congratulations to all of our students for continuing to learn over February Vacation!

- Students completed ELA and Math lessons over February Vacation.
- One student from each school was chosen for the most lessons passed.

The winners are….

Donovan Elementary
- Joshua Rene (4th Grade)

JFK Elementary:
- Louis Tran (5th Grade)

Lyons Elementary:
- Dwayne Akins (2nd Grade)

Young Elementary
- Arion Nguyen (3rd Grade)

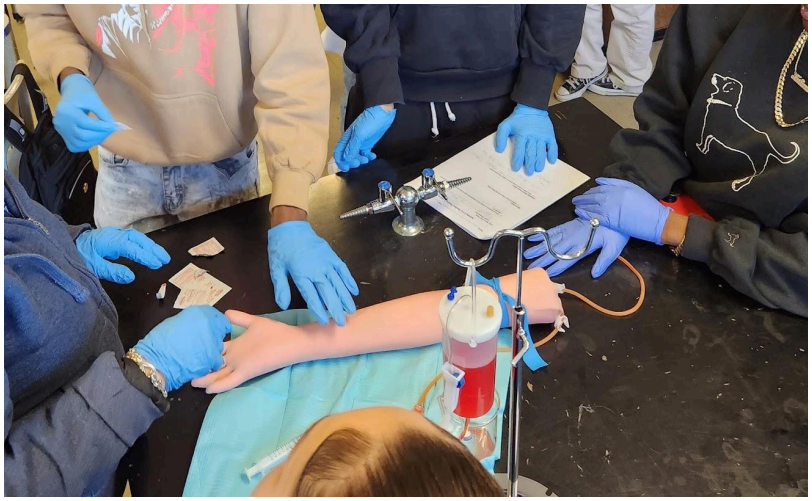
RCMS
- Jaden Ngo (8th Grade)

RHS
- Viet Nguyen (9th Grade)

Prizes will be delivered to each student!

Science, Technology, & Engineering Update - RHS

Students in Ms. Moyer-Laurin's Principles of Biomedical Science classes have been practicing phlebotomy on dummy arms as part of their unit on conducting medical physicals and routine medical testing!



RCMS

Students in Ms. Kennedy's 6th-grade science classes have been exploring how forces can cause objects to interact with each other without physically touching. These students are using magnetism to move a car along a track.

Elementary

Ms. Fisher's 5th graders at Donovan Elementary School researched space topics and held a Planetarium to teach all the other students there about space! Pictured are 5th graders teaching 2nd graders about phases of the moon!

Social Studies Update

RHS

Students taking criminal justice were able to join Zoom with a judge from the Massachusetts Trial Court in order to learn more about how the court system operates and ask questions.

Students from Mr Morales' Social Justice Journalism course will be participating in Civic Learning week by joining a series of Zoom sessions designed to educate students about the importance of civic engagement and democracy.

RCMS

Save the date! The eighth grade will be participating in two important events this spring: students and teachers will be hosting a Civics Night on May 31st so that families and the community can see and hear more about their civic action projects. More details to follow. In addition, the eighth grade will be participating in a pilot of the new civics MCAS exam on May 31st.

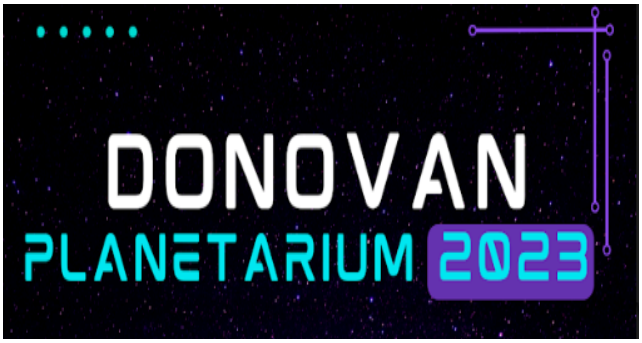
School Update

Donovan Elementary School (Donovan School)

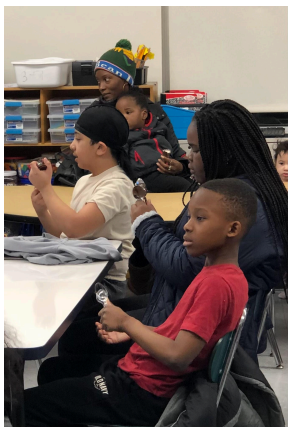
On February 27th, Kimberly Duane joined the Donovan School family as Interim Principal. She has been working in Randolph Public Schools since the 2019/2020 school year as the Student Services and SEL coordinator. Ms. Duane is excited to have this opportunity to work with the students, families, and staff at Donovan.

On Friday, March 3rd students, staff, and district administration alike had an "Out-Of-This-World" experience in our **Donovan Planetarium.** Students shared their research, visual models and their scientific knowledge, as well as participated in hands-on activities and fun photo ops! A big thank you to Kate Fisher, for coordinating this galactic event!



On Monday, March 6th, elementary music teachers hosted a **Family Music Night** at the Donovan School for both the Donovan School and Lyons School families.

Music teachers led three stations of musical activities: Folk Song and Dance, Community Drum Circle and Spoons. Students shared their hopes for our Randolph community, and expressed that they enjoyed the sounds, the motions, and the feeling of being heard. Thank you to Tracy Duguay, the Randolph Music Dept. Chair for coordinating the event and to Grace Wodarcyk, Stephen Twiraga, and Nicholas Quigley for providing a sensory and sound experience enjoyed by all!



On Tuesday, March 7, **Principal Duane's dog, Luna**, visited classrooms. Luna is a 6-month-old English Cream Retriever that is in training to be a therapy dog. She has already passed two classes and is well on her way to certification. We aren't sure who loved the visit more...Luna or our students! Luna hopes to return on a weekly basis to support our students who would like to spend time with her.

John F. Kennedy Elementary School (JFK School)

At the JFK School, we will have our fifth annual Boosterthon fundraiser this year. Our kickoff day will be on March 30th. The Boosterthon Fun Run program is an amazing two-week long educational program and fundraiser. The Boosterthon team brings amazing energy to the school each day that they're with us. The program teaches our kids about leadership, character, and fitness in an exciting way during the two-weeks. All students have the opportunity to support our school by gaining pledges for laps they run at the grand finale on Fun Run day. The Fun Run also serves as a huge school-wide community event.

Boosterthon Kickoff Day - Thursday, March 30th
Boosterthon Fun Run Day - Tuesday, April 11th

Our families can visit mybooster.com to register their child[ren] and to help us reach our goal of $10,000. Others can contribute to our cause as well. Funds raised will go towards field trips, Field Day, and reading books from our book vending machines. For more information, contact our PTO at jfkelementarypto@gmail.com.

Meet JFK's new mascot, Jett the Jaguar.

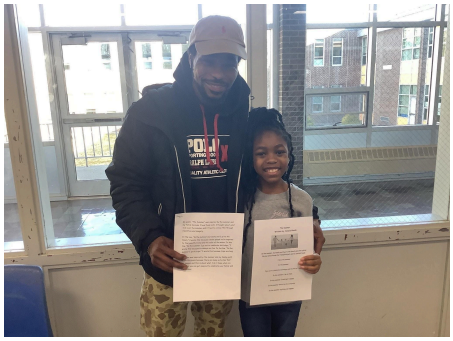
JFK has a new school mascot. Jett the Jaguar was agreed upon by our staff and students. We look forward to Jett becoming part of the fabric of our school community.

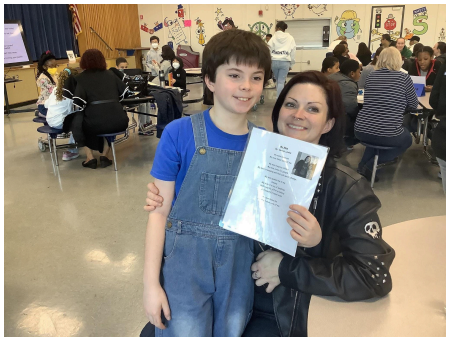
"Birds of Prey" special assemblies with the Mass Audubon Center

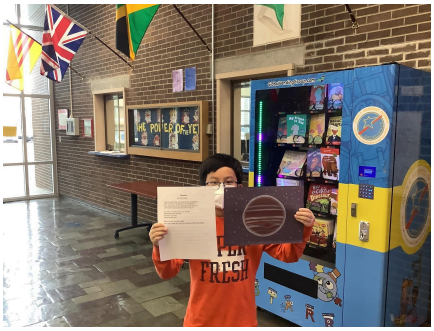
Special assemblies with the Mass Audubon Center were recently sponsored by our PTO. Our students were in awe when introduced to a live broad-winged hawk and a barred owl as part of the Birds of Prey presentation. Students eagerly asked questions about the animals' habitats, foods they eat, how they hunt, and more.

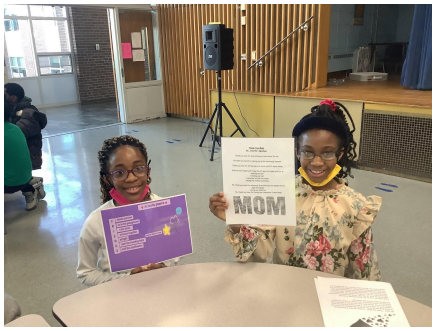
4th Grade Poetry Exhibition

At the end of their poetry unit, 4th graders had the opportunity to write about someone or something that inspired them. They wrote a variety of poems (i.e., acrostic, free verse, rhyming, etc.) and proudly showed off their poetry and reflections to family members and visitors. Below are some photos of our students on their exhibition day.









JFK School Site Council
Next Meeting: March 29th

Our next School Site Council meeting will be on Wednesday, March 29, 2023, at 6:00 PM. A zoom link will be sent out prior to the meeting. We are looking for more families to join us and take part in the decision-making process in order to improve achievement. While being a part of the JFK School Site Council, you will have an active voice in assisting the principal in adopting educational goals, identifying the educational needs of the students attending the JFK School, reviewing the annual school building budget, and formulating a school improvement plan, among other school concerns and initiatives.

Lyons Elementary School (Lyons School)

Lyons Multicultural Night was a huge success!!! The PTO sponsored the evening that featured Special performances by:
Premier Martial Arts of Randolph and Stajez Dance Studio of Randolph. The event was catered by Care One of Randolph.

Celebration of Black History Month

Celebrations and learning projects consisted of :

- Research Projects in grade 5
- In PE class all students learned about an African American athlete who changed history
- Read alouds in grades K-2 featuring African American leaders who inspire us

Vacation Kick Off!!! Color War Day -Team Building Experience

Meet the Staff:

Teacher Spotlight : Ms. Marron

Ms. Marron joined the Lyons School this year as an Multi-language learner teacher.

Any interesting places you have worked?

My first job was at Coldstone Creamery.

Do you have any hobbies or special interests?

I enjoy reading, hiking, and traveling.

Pets and Family

I have a cat named Moby, and three siblings.

Favorite book?

My favorite book is *Tuesdays With Morrie*.

Favorite ice cream flavor?

My favorite ice cream flavor is moose tracks.

Bucket list items

I would love to live in Europe for the whole summer! I also want to travel to the Grand Canyon.

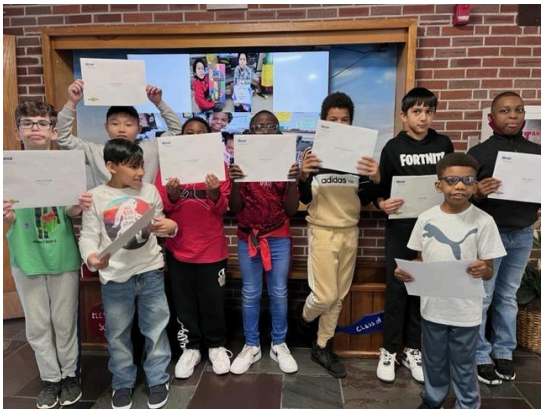
Young Elementary School (Young School)

February seemed to go by in the blink of an eye! At YES, we have been busy in all grades and are exploring important topics like pollinators, animal adaptations, civil rights, and the weather. Our EL curriculum lends itself well to deeper learning, project-based learning, and writing that includes lots of details and strong vocabulary. In math, students are exploring teen numbers, multiplication/division, and fractions. Our special time is a highlight for most students. Having time weekly for science, art, music, and PE is time for students to make connections to learning in the classroom, to explore new topics, to build new skills, and for some, to find their passion!

Here are a few pictures to showcase life at YES. We hope many families, from YES and the JFK School, will be able to join us Wednesday, March 15th at 6PM for a night of Physical Education activities with our PE team.

In mid-February, PTO sponsored a family dance and it was FANTASTIC!

We received an awesome surprise from the Department of Elementary and Secondary Education that several of our students were recognized for their work on MCAS last year. Cheers!



The Friday before February vacation instead of regular house meetings we had a bingo afternoon with house t-shirts, bracelets, and books as prizes. It was super fun!

Randolph Community Middle School (RCMS)

On Saturday, February 4th, two 8th grade RCMS chorus students, Thomas Nguyen and Andrew Vo, auditioned for the 2023 Southeastern Massachusetts Bandmasters Association Music Festival. Students performed scales and solo literature for adjudicators. The Randolph Public Schools Music Department is proud to announce that both RCMS students were accepted to the 2023 Jr. SEMSBA Mixed Chorus. They both sing baritone. Students have not been selected to perform in the Junior SEMSBA Festival from RCMS since 2018! Our talented baritones will work with experienced conductors and perform with musicians from across southeastern Massachusetts at the upcoming SEMSBA junior festival on May 5th and 6th.

RPS congratulates Thomas and Andrew on their musical endeavor!

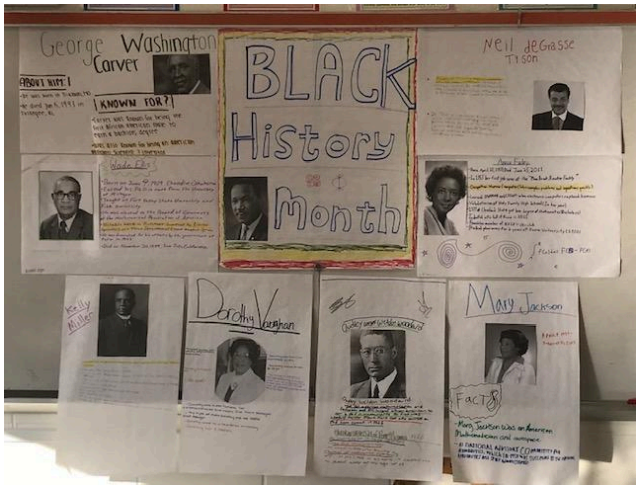
Mental Wellness

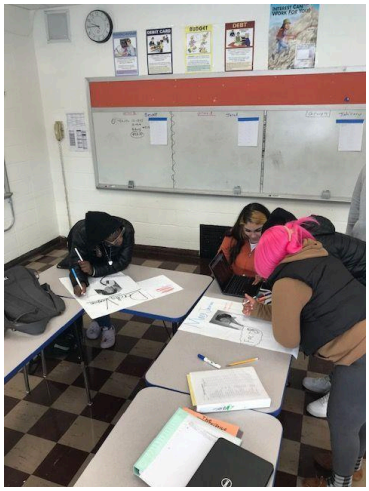
RCMS teacher, Eleanor Forbes, is exploring Mental Wellness with our 6th and 7th graders through the Everfi curriculum.

Randolph High School (RHS)

Honoring Black History Month

In honor of Black History Month, the students in Mr. Hoffman's math courses, while working in pairs, spent two days researching and creating a poster about an African American mathematician or scientist of their choice. The students also made oral presentations to the class. Great work!





On Saturday, February 4th, several members of the RHS Chamber Singers participated in the Shaw's Black History Month Celebration. They sang *Lift Every Voice and Sing*, *Be the Change*, and more. They were then presented with a check for their time. Thank you Shaw's for your generous donation!

Congratulations to Ms. Hodges' Honorees!

Ms. Hodges Build and Accounting students who excelled in maintaining 90% average had a Lunch & Learn with guest speakers. Each was an alumni of Delaware State University in Dover, DE. They attended college with Ms. Hodges and shared their testimony. They opened up for questions and shared resources on scholarships, athletics admissions, internships, and entrepreneurship.

Congratulations Gardy Augustin!

We are happy to announce that Gardy Augustin was selected as the recipient for the Paul Costello Courageous Player Award. This is a statewide award that recognizes players who overcome adversity and achieve academic and athletic success.

We are so proud of Gardy and all of his accomplishments here. He has a bright future ahead of him due to his strong work ethic and resiliency.

8th Grade Step-Up Day

On Wednesday, February 15th, the RCMS 8th grade band and chorus joined the RHS band and chorus for a fun filled day of music making! A total of 72 students spent the day rehearsing their music and bonding in preparation of the Step-Up Concert on March 7th at 6:30 PM.

Special Education Update (SPED)

Dear Families,

We celebrate a lot of awareness events for the month of March including the following events. Here is some information you may want to know.

- Developmental Disabilities Awareness Month - #DDAwareness2023, #DDAM/, #DDAM2023, & #BeyondtheConversation
  - National Developmental Disabilities Awareness Month (D.D.A.M.), observed throughout March, is a nationwide event to raise awareness about the inclusion of people with developmental disabilities and address the barriers that those with disabilities face. Inclusion is necessary since about 15% of the world's population lives with a disability. D.D.A.M. is about understanding the relationship between the way people function and how they participate in society and making sure everyone has the same opportunities in every aspect of life to the best of their abilities.
  - These are the types of developmental disabilities which include autism spectrum disorder (A.S.D.), cerebral palsy (C.P.), intellectual disability (I.D.), attention deficit hyperactivity disorder (A.D.H.D.), hearing loss, vision impairment, and Autism spectrum disorders.
  - Here is the Resource Guide for 2023 for you to use and deepen your knowledge on developmental disabilities.

- Brain Injury Awareness Month - #MoreThanMyBrainInjury
    - There are more than 5.3 million children and adults in the United States who are living with a permanent brain injury-related disability.
    - What is a **Brain Injury?**
        - An acquired brain injury (ABI) is an injury to the brain that is not hereditary, congenital, degenerative, or induced by birth trauma. Essentially, this type of brain injury is one that has occurred after birth. There are two types of acquired brain injuries: traumatic and non-traumatic.
        - A traumatic brain injury (TBI) is defined as an alteration in brain function, or other evidence of brain pathology, caused by an external force or trauma. Traumatic impact injuries can be defined as closed (or non-penetrating) or open (penetrating).

        - Brain injuries are complex and this information only scratches the surface. The BIAA website has lots of information on the various types of brain injuries, their effects, and more. Start your brain injury education journey here.

    - Did you know that every 9 seconds, someone in the United States sustains a brain injury? The lasting effects can be so severe they can impact a person's mood, personality, career and ability to function independently.

- If you know of anyone who is suffering from a brain injury, the HHSC Brain Injury Programs in Texas is offering the following webinar for free. To register, visit the registration website.
  - March 1: Thriving After Brain Injury: Challenges and Opportunities for a Village
  - March 8: Traumatic Brain Injury and its Relationship to Post-Traumatic Stress Disorder
  - March 15: Managing Depression and Anxiety for Brain Injury Recovery
  - March 22: Behavioral Health and Brain Injury: Challenges and Resources
  - March 29: Journey to Recovery

- International Wheelchair Day - March 1st
  - International Wheelchair Day is celebrated every March 1st for wheelchair users to celebrate the impact their wheelchair has had on their lives. In the U.S. alone, approximately 3 million people rely on a wheelchair every day.
    This day also serves as a reminder of the struggles faced by people who use wheelchairs and the need for society to make changes to accommodate their needs.

- World Down Syndrome Day (United Nations Day) - March 21
  - World Down Syndrome Day is every year on **March 21st!** World Down Syndrome Day is a worldwide awareness day meant to celebrate individuals with Down syndrome by advocating for the rights, inclusion, and well-being of people with Down syndrome.
  - **Down syndrome (or Trisomy 21)** is a condition in which a person has an extra chromosome. Chromosomes are "packages" of genes in the body. They determine how a baby's body forms and functions as it grows. Around 1 in every 800 babies will be born with Down syndrome. Down syndrome occurs naturally – there is no known cause. Down syndrome

usually causes varying degrees of intellectual and physical disability and associated medical issues.
    - Every year, in Massachusetts the landmark Leonard Zakim Bunker Hill Memorial Bridge is lit up blue + yellow – the colors of Down syndrome!

Here are some amazing activities of our students and staff across the district!

- PK Activities
  Working on OT skills in a classroom center by practicing putting gloves on.

Pre-K center during our community worker theme. Materials were all labeled and students had veterinarian forms to fill out in order to take care of the pets.

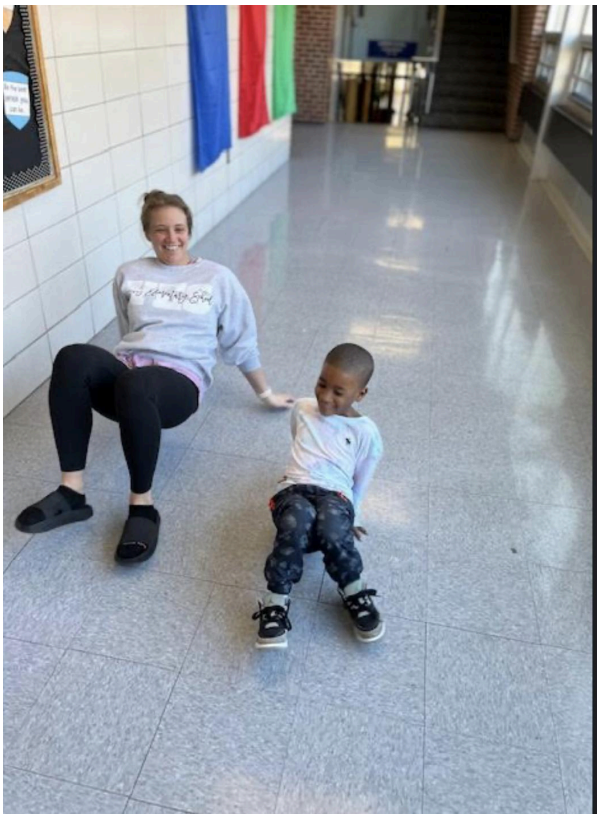
- Lyons Elementary School Activities and Pictures
    - Color War Day to kick off February Vacation: TLC staff and students competed for the best costumes representing their color and practiced team building skills.

- JFK Elementary School Activities and Pictures
    - Worked on fine motor skills coloring pictures of owls and identifying colors found on an owl.

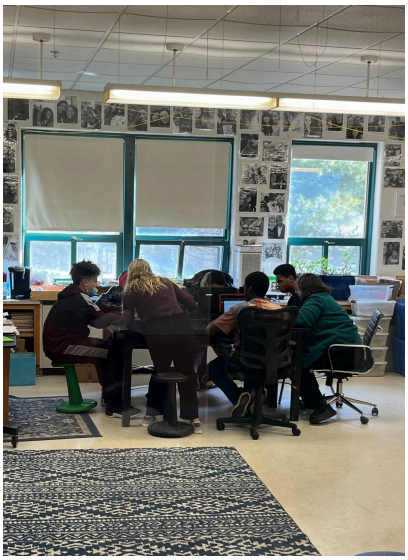
- Young Elementary School
    - Celebrating the 100th Day of School!
    - Taking a body break with Ms. Brink

- Weekly House Meeting - great community building opportunity for grades 3-5

Equity
Excellence
Innovation



- Randolph Community Middle School Activities and Pictures
  - Practicing OT skills on a walk around the school.
  - Prepping for a wonderful day after breakfast.
  - Developing speech and language skills as a team.



STUDENT SERVICES UPDATES:

International Social Emotional Learning (SEL) Day on March 10th is a way to celebrate the way SEL is "Uplifting Hearts, Connecting Minds." Studies show SEL reduces stress and promotes self-regulation, self-awareness, social awareness,

decision-making, and relationship building. Here are some specific examples of how SEL can positively impact students.

- Higher levels of empathy;
- Increased social confidence;
- Better attitude about school;
- More responsible decisions; and
- Better recognition of emotions.

When your student is able to recognize difficult emotions and you would like help finding a mental health care provider for them, use Care Solace, a complimentary and confidential care coordination service provided by Randolph Public Schools. **Call 888-515-0595**. Multilingual support is available 24/7/365.
Visit **caresolace.com/randolph** and either search on your own OR click "Book Appointment" for assistance by video chat, email, or phone.
Our goal is for our students to have uplifted hearts and connected minds!

HEALTH SERVICES UPDATE:

- The nurses are near completion of vision screenings and have sent out referral letters to many families for a comprehensive eye exam. We want to emphasize the importance of an annual exam by an eye doctor even if your child passed their screening at school. This year the MA Department of Public Health instructed school nurses to refer students with neurodevelopmental delays for a full eye exam since they are at a much higher risk of having a vision disorder. We are excited to announce that our partnership with Codman Square Health Center has offered us the convenience of exams and treatment right in Randolph at Eyecare Etc., 9 Warren Ave. by Optometrist Dr. Huynh. You can call his office at 781-963-8448 to schedule an appointment. He accepts MassHealth and provides glasses/contacts on site. Please provide any documentation from your visit to your school nurse.

Optometrist Dr. Huynh

- Randolph Health Services is now participating in the Hope and Comfort Hygiene Distribution Program! We are happy to supply your child with hygiene products free of cost as we identify needs. We are dedicated to helping students stay healthy, confident, and clean.

HOPE & COMFORT
WORKING TO END HYGIENE INSECURITY

- If you haven't gotten your COVID-19 or Flu vaccination, it's not too late. Vaccination clinics are available in town. For more information or to make an appointment, click here or see the **Health Services Update** section for more details.

MULTILINGUAL LEARNERS UPDATES:

- **ELPAC Meeting** (March 21st): Meet Molly Ross, the new Coordinator of Language Acquisition, to hear about updates in the department and give your opinions on how we can improve education for multilingual learners.
- We are excited to announce our first parent class starting on March 16th on **home and school connections through technology**.

Parents will practice the different wants to interact with the schools using technology. This first class will be held in Haitian Creole. Look for more opportunities coming up!

- ESL teachers are now meeting monthly in a professional learning community. Each month teachers share lesson plans to get feedback from their peers.

Multilingual students working on matching vocabulary words with letter sounds.

REGISTRATION CENTER UPDATE:

We are working on a new registration platform that will be launched for the April Kindergarten 2023-2024 Registration. Training related to registrations will be available in March. Please be on the lookout for this new registration platform.

FAMILY RESOURCE CENTER UPDATES:

We are pleased to invite you to the following family and community engagement events this Spring. SAVE them on your calendars and be on the lookout for the final confirmation of the dates, topics and zoom links. These events will have interpretation in Haitian Creole, Spanish, Portuguese, and Vietnamese. We hope you'll join us on these events:

- **Date: March 28, 2023,** 7:00 - 8:00 PM
  Zoom Link: https://zoom.us/j/92906727782
  Topic: Social Media and Internet Safety: What You need to know as Parents/Guardians
  Presenters: Det. Kristen Gagnon and Det. Danny Santos

- **Date: April 25, 2023,** 6:00 - 7:00 PM
  Zoom Link: https://zoom.us/j/96163020904
  Topics:
  #1 PowerSchool and PowerSchool App for Parents/Guardians: What should every parent need to know about PS?
  #2 RPS app: What is it all about? How to download and properly use this app?
  Presenters: Laura Sullivan

- **Date: May 8, 2023,** 6:00 - 7:00 PM
  Zoom Link: https://zoom.us/j/96991227236
  Topics: Summer Program Information: What you need to know?
  Presenters: Beth Fitzgerald, Katy Sleczkowski, etc.

- **Date: May 30, 2023,** from 6:00 - 7:00 PM
  Zoom Link: https://zoom.us/j/95492588659
  Topic: All About EL Curriculum
  Presenters: Jessie Purdie and Dr. Amy Hartley-Matteson

- **Date: June 6, 2023,** from 6:00 - 7:00 PM
  Zoom Link: https://zoom.us/j/95493923689
  Topic: Social Emotional Learning: How to Support your Child with their SEL needs?
  Presenter: Kimberly Duane

We also have the following ongoing opportunities from our Multilingual Learners (ML) Department that you may be interested in:

- **Multilingual Families ELPAC: Share your opinions**
  Date: March 21, 2023, from 6:00 - 7:00 PM
  Come meet the new Coordinator of Language Acquisition and share your opinions about being a multilingual family in the Randolph Public Schools.
  Presenter: Molly Ross

- ESL Class through Randolph Community Partnership
  Monday and Wednesday 6:30 - 9:30 PM
  To register, please contact rossm@randolph.k12.ma.us

- Home and School Connection through Technology (Course language: Haitian Creole)
  Every Thursday 6:00 - 8:00 PM (3/16/23 - 5/25/23 (no class 4/2/23)
  Location: Randolph High School Library
  To register, please contact pierre-jeromel@randolph.k12.ma.us

We hope to see you at these events!

COMMUNITY UPDATES:

- Randolph Public Schools is a proud recipient of the Nellie Mae Foundation Equity Grant 2022-2023! There are a few components of this grant which include the following activities and programs: the creation of the upcoming DEIB Committee, an Equity Audit to be conducted by "The Equity Process", Implementation of Late Buses at the Randolph High School and the Equity and Accelerated Program (EAP) at JFK Elementary in partnership with the South Shore STARS.
- The Seeking Educational Equity and Diversity (SEED) seminar is ongoing and we want you to join **Shanelle Abernathy,** the Dean of Student Culture & Engagement at the John F. Kennedy School. SEED is a national project that focuses on social justice, social change, equity, equality and inclusion. As a community we have the opportunity to engage in these conversations.
  If, you have any questions please email: Abernathys@randolph.k12.ma.us
  Use this form to RSVP: https://forms.gle/vVvST2XRVgLCqaU87

Thank you!
Sincerely,
Alpha Sanford, M.Ed. CAGS
Director of Special Education and Student Services

Randolph Music Department Update

Seven Randolph Public Schools music students were accepted to the South Eastern Massachusetts Bandmasters Association Music Festival. On Saturday, February 4th, eleven music students auditioned for the 2023 SEMSBA Music Festival from the Randolph Community Middle School chorus and the Randolph High School band and chorus. Students performed scales, solo literature and sight-reading passages for adjudicators. The RPS music department is proud to announce that seven students were selected to participate in the 2023 Festival from both the Randolph Community Middle School and the Randolph High School. Students have not been selected to perform in the Junior SEMSBA Festival from RCMS since 2018! All accepted students will work with talented conductors and perform with musicians from across southeastern Massachusetts at the upcoming SEMSBA festivals on March 17th and 18th for Senior SEMSBA and May 5th and 6th for Junior SEMSBA.

Accepted to the 2023 Sr. SEMSBA Band

Lillianna Doan, grade 11 flute
Wanjiru Mwangi, grade 12 tenor saxophone
Khanh Nguyen, grade 12 bass clarinet
Amani Rupia, grade 12 baritone horn

Accepted to the 2023 Sr. SEMSBA Chorus

Saschillov Garcon, grade 11 tenor

The two RCMS music students who were accepted to the 2023 Jr. SEMSBA Mixed Chorus are listed under RCMS.

Congratulations to all seven students! RPS is proud of you.

Si ou gen plis kesyon, tanpri souple kontakte lyezon pou fanmi ki pale Kreyòl Ayisyen yo nan 781-807-0081.
