Script: Evening at Fluttershy's

1.
You are in Fluttershy's house. It's already evening but it's pleasantly warm in her room.

2.
Oh, hey, I was already waiting for you!
So what do you want to do tonight?
How about we play a little game?
I have something in mind and I'm sure you'll like it. (seductive, playful)

3.
But before we start, I want you to get your cock hard for me.
Rub it through your pants until you're ready.
Then pull it out and show me, please.

4.
Oh wow, you're even bigger than I imagined!
And it looks like we're ready to begin!
So how about you stroke very slowly for these tits for one and a half minutes?

5.
Very good! Now I have a challenge for you!
I want you to stroke to my ass in this tight bikini.
However, mister, don't let me catch you checking out Twilight next to me!
This game is all about me and you don't get to think about anyone else while you're with me, understood? (playful)
Alright, give me a minute of medium stroking.

6.
Did you make it? Did you keep your eyes on me?
Or was Twilight just too tempting?

7.
*Option 1: I didn't even think about her!
Oh, I knew you would be a good boy! Why did I even doubt you? (happy, relieved)
Well, I think you deserve a treat now.
I'll let you take a peek at my pussy and you can stroke any way you want for 40 seconds.
Now stop stroking and just massage your balls for a minute.
Oh, I bet that feels so good.
Well, let's continue.

_

So now that you've seen my pussy, I bet you'll want to see me boobs too.
Well, if you continue being a good boy, you might get lucky.
But for now, give me one minute of fast stroking.

8.
*Option 2: I couldn't resist…
Oh my, what a disappointment. (sad, disappointed)
I can understand why you failed though. After all, Twi is pretty hot.
But nonetheless, your disobedience must be punished and I think I've got just the right thing for you. (stern)
Twilight recently sent me some – haha – interesting images. (playful)
I'll show them to you but you're not allowed to jerk off.
In fact, you won't need that boner now.
*Button: I'm soft.
Alright, looks like we can start. I'll show you the pictures but you need to stay soft.
If your cock gets hard, slap your balls and wait until you're soft again.
Ready? Let's start.
*Picture 1: Picture number one, very nice.
*Picture 2: You know, Twilight always has the hottest lingerie.
*Picture 3: Oh, I bet it's getting hard to stay soft.
*Picture 4: Yeah, I bet you like this one.
*Picture 5: I can't imagine how frustrating this must be for you.
*Picture 6: Now this is hot! This is even getting me excited. I hope you didn't forget to slap your balls when you get a boner!
Alright, that was enough. I hope you learned to obey me for the rest of our game.

_
I want you to get hard again.
Look at my boobs. They look amazing, right?
Well, if you're a good boy, I might show them to you later.
If you're a really really good boy, maybe you'll get to see my pussy too.
But now we need to get your cock hard first. Give me two minutes of fast stroking.

9.
Here, check my new dress out. It's so tight, you can really imagine my hot body under it.
Just imagine spraying your load all over my stomach and tits.
Give me two minutes of medium stroking and I'll show you what's hidden under the dress.

10.
Alright, well done. I'll take off my top for you.
Ready?
Here they are!

Now relax and go slow for a minute while you imagine fondling my beautiful breasts with your hands.

12.
Hands off your cock! Stop for 40 seconds and don't even think about touching it!
Just stare into my eyes and think of all the dirty things you would do to me.

13.
Alright, now I have a simple question for you.
Out me and my friends, who is your favourite pony? (playful but unsure)
This shouldn't be difficult, I'm sure you're daydreaming about us all the time.

14. *Fluttershy:
Haha, good choice! After all, no one else is as cute and adorable as little Fluttershy.
Well, little Fluttershy has a reward for your excellent choice.
Time to get rid of all these clothes!
30 seconds of slow, sensual stroking.
So, if you don't mind me asking, which of my assets do you like best?
*Face:
Oh you're such a charmer.
Stare into my eyes while you give me medium strokes for one minute.
And 30 more seconds. Go very fast!
*Ass:
Oh, interesting. Usually people just stare at AJ's ass all the time.
I was already worried because mine hardly gets any attention.
Two minutes of medium strokes for my booty!
Keep going! 30 seconds as fast as you can!
*Boobs:
Oh yes, the classic. They're so great, why did I even bother asking?
Well, these amazing tits deserve some attention.
Two minutes of medium stroking!
Keep going! 30 seconds as fast as you can!

15. *Rarity:
Seriously? Rarity? Well, I guess I can see why.
So you're into fashion? I think I have an idea.
Grab your underwear and two other pieces of clothing. Go on, put them on.
Now start slow. One minute of slow and sensual stroking through your underwear.
Next put your hand inside your pants and give me 30 seconds of fast stroking.
I bet the fabric rubbing on your dick feels amazing.
But I don't want you to bruise that beautiful cock. Continue at a normal speed for another minute.
Alright, well done. You can take off the clothes but keep your underwear on for the rest of the game.

16. *Pinkie Pie:
Haha, many guys are into her. To be honest, I don't really know why.
Maybe it's her energy. Or maybe it's her constant lust for some cream in her mouth.
But she's always so messy. Whenever I visit her, the whole house is so sticky.
Well, since you don't seem to mind, I want you to get messy.
Build up some saliva and spit it all over your cock.
Then spit some into your hands.
Next, I want you to stroke with both hands like you're holding a big spoon.
Start slow and tight for 30 seconds.
Go faster for another 30 seconds!
Now as fast as you can for 10 seconds!
Now stop. See that precum coming out of your cock?
Do what Pinkie would do and eat it.
I bet that tasted great. Now, since Pinkie is your favourite pony, I want you to make her proud. Later, when I allow you to orgasm, I want you to put your hot cum in your mouth and swallow it all.
Everything else would only disappoint her.

17. *Rainbow Dash:
Oh, you're into sporty ponies? Sure, she has a great body but all of that workout is so exhausting.
But you must like it if she's your favourite.
So now we're going to do some exercises. And by "we", I mean you.
Just follow my instructions.
Start fapping at a normal speed. 30 seconds.
Now do 10 jumping jacks!
Back to stroking! 30 seconds and go faster!
Next, do 10 squats!
Alright, stroke even faster for another 30 seconds.
Stop, drop and give me 10 pushups!
And now 30 seconds as fast as you can!
Did you finish all of the exercises?
*Yes: Good job! Maybe you should meet up with Rainbow the next time. (joking)
*No: Oh well, Rainbow certainly wouldn't accept that. As punishment, fap as fast as you can until you're right at the edge of cumming. Then stop stroking and slap your balls hard!
Alright, I think we can continue.

18. *Applejack:
I can see why you'd choose her. All that work on the farm gave her a strong and firm body.
She spends so much time on the farm, she just loves handling the animals.
If you want her to like you, why don't you act like those farm animals do?
Go on, get on all fours. Open your mouth and start panting.

Who’s a good boy? Yes, you’re a good boy.
And good boys stroke. Medium speed for one minute.
Now slap your ass like you’re a stubborn cow. Five times for each cheek.
Back to fapping, my little pet. Go fast for 30 seconds.
Give your ass one more hard slap and turn on your back. Spread your legs like a dog relaxing in the sun.
Stay in that position and stroke fast for one minute.
Alright, you can stop acting like an animal now. But I bet Applejack would’ve loved to see this.

19. *Twilight:
Ah yes, Twilight. The pony that combines cuteness with brains.
I still have some trivia questions lying around from Twilight’s last visit.
She could solve it with ease. How about you? Let’s see.
But before we start, stroke at a normal speed for 30 seconds.
Alright, let’s begin.
*Correct answer 1: Correct, well done. Stroke at any speed for 30 seconds.
*Correct answer 2: Exactly! You really know this stuff. Fap fast for 30 seconds.
*Correct answer 3: Wow, I wouldn’t have known that! Jerk however you like for 30 seconds.
*Wrong answer 1: Oh no, I told you these wouldn’t be easy. Slap your balls three times.
*Wrong answer 2: Nope, but I doubt Twilight would’ve known that. Give your cock two hard slaps.
*Wrong answer 3: Okay, you should’ve known that one. Punish yourself with five hard slaps on the balls.
Alright, ladies and gentlemen, that concludes our little quiz show.
Before we continue, why don’t you give me 20 seconds as fast as you can?

20.
If I remember correctly, I promised you to take off my panties if you’re a good boy.
Since you’re doing so well, I think you deserve to see my pussy.
In return I want you stroking as fast as you can for a minute.

21.
Good job! Now that I'm all naked, give my butt all the love it deserves. I want you to imagine fucking my tight ass while you give me 30 seconds of medium stroking.

22.
You can slow down and play with your balls for a bit.
Look, the sun is almost gone. The sunset is so beautiful but I - I don't know. I'm feeling kind of uneasy.

23.

Oh no, is it already this late? We had so much fun I didn’t look at the time. You shouldn't have stayed this long! Please, go now! I - I can't..

24.
RAWR! (Fluttershy turns into Flutterbat)

25.
You stay right where you are! You are just who I need! (aggressive but playful)

26.
Every night, I get this craving! (dreamy)
I just get so thirsty for something juicy. Something only you can give me. (sexy)

27.
I can see you're already excited, so it won't take long.
Do you see my bat pony pussy? Stroke at a medium speed for two minutes.

28.
Ahh yes, I want your dick right where this branch is. (moaning, horny)
Just rubbing on my pussy, getting my juices flowing. I want you to stroke fast to get your juices flowing too! But to make it interesting, I won’t tell you for how long.
Alright, well done!

29.
Now imagine your big cock in my mouth, giving you the blowjob of your dreams. I'll be careful to keep your dick away from my fangs but I can't promise anything. (humorous, playful)
Stroke fast for this risky blowjob. How about 20 seconds?

30.
Oh, I can feel that you're so close, baby! Just a little further! (excited, horny)
You can stroke a bit slower but I want you to grab your cock very tight.
Again, I’ll keep the timer a secret.
How long do you think this will go?
Or more importantly, how long can you last?

31.
I’m desperate for your cum! Get to the edge and hold it for 15 seconds.

32.
You're so close! Get to the edge again and ride it for me.
Now ride it!
I hope you’re getting ready to cum soon! (excited, horny)

33.

I can't wait any longer! Get to the edge and get ready to cum!
Fap as fast as you can! This timer won’t last forever!
Don’t worry, you’ll see what comes after the timer soon enough.
And before I forget it, where do you want to cum?
*Body: Think you've got enough built up in those balls?
Alright, I’ll give you a good angle once the timer is done.
*Face: Oh yes, let me come closer to you before the timer ends.
*Ass: Alright, I’ll make sure to turn around once the timer ends.
*Boobs: Good choice, let me get in position before the timer ends.
Are you ready?

34.
CUM, BABY! Spray it all over me! (ecstatic, commanding)
Oh my god, it’s so much! I guess our little game has paid off.
This will certainly satisfy my cum craving for this night. (pleased, content)

35.
Well, thank you very much.
But you better go now, I might want another round when I turn back into my normal self. ;)

36. *Break Button:
Oh, sure, we can take a little break. I hope I’m not overwhelming you.
One minute should be enough.
