The Massachusetts Department of Elementary and Secondary Education (DESE) is pleased to share the MCAS Family Portal with you. This online tool lets you see your student's MCAS test results.

MCAS results from spring 2026 are available. You will also see your student's results from past years (2023–2025), if available. The Family Portal will be updated in September when final results are ready.

How to Get Started

Go to https://mcasfamilyportal.emetric.net.

To create an account, you will need
- your student's **registration code** (found in PowerSchool; see below); and
- your student's **date of birth**.

The MCAS portal registration code can be found in PowerSchool on the initial PowerSchool sign-on screen as follows:
