Report Date: 12/19/21 **Liaison Name:** Chris Stella

BRPP

Last meeting/task
N/A
Next meeting/task
N/A
Glows/Grows

Urgent Issues
No updates. There quite literally must be some communication going on outside of the official list. Haven't seen anything from them in months beyond Wesson's resignation.

PlatCom

Last meeting/task
N/A (purportedly doesn't meet—This should change *very* soon)
Next meeting/task
Tasks: Currently working on shifting proposals by kind to shift into different working groups
Glows/Grows

Things are looking good. AJ and Thomas seem to be helming proposal work and organization well.

Urgent Issues
None.

ARC

Last meeting/task
N/A (allegedly doesn't meet)
Next meeting/task
Likely to edit platform proposals, if returned. Trying to find out if there's any feedback so far on ARC proposals.

Glows/Grows
They're really invested in their proposals, and the proposals are relatively solid by my estimation.

Urgent Issues
N/A, smooth sailing.
