

Recreate Mrkt — How It Works

Sell Your Used Dance Costume in 4 Simple Steps

1. Submit Your Costume

Fill out our Submission Form with:

- Photos of the costume (on mannequin or dancer)
- Sizing and condition
- Your asking price
- A short description

✨ Pro Tip: Costumes with clear, well-lit photos sell faster!

2. We Do the Listing

We review your submission, edit your photos (if needed), and write a compelling listing. Then we post it to our Instagram page @recreatecostumes and promote it to dancers and dance moms across Canada.

You don't need to do anything until it sells!

3. Your Costume Sells

Once a buyer is ready, we'll message you with:

- Buyer info
- Shipping address
- Shipping tips if needed

You'll only need to ship the costume once it's sold — no upfront hassle.

4. You Get Paid

After the buyer receives the costume, we'll send your payment via e-transfer (minus our small platform fee if applicable).

No haggling. No ghosting. Just easy resale.
