Last Updated: August 13, 2025

This Privacy Policy describes how Magic Sudoku collects, uses, and protects your information when you use our mobile application.

Information We Collect

Local Data Storage:

- Game progress and saved states
- User preferences and settings
- Timing data and completion statistics
- Daily challenge streak information
- Difficulty level progression

How We Use Your Information

The information collected is used solely to:

- Save and restore your game progress
- Track your personal statistics and achievements
- Maintain daily challenge streaks
- Provide personalized game experiences
- Improve app functionality and user experience

Data Storage and Security

All user data is stored locally on your device using secure iOS data storage mechanisms including:

- UserDefaults for preferences and statistics
- Core Data for game state management
- Keychain services for sensitive data (if applicable)

We do not transmit any personal data to external servers or third parties.

Data Sharing

We do not share, sell, or distribute any user data to third parties. All information remains on your device and under your control.

Children's Privacy

Our app does not knowingly collect personal information from children under 13. The app is designed to be family-friendly and safe for users of all ages.

Your Rights

You have the right to:

- Delete all app data by uninstalling the application
- Reset game progress through in-app settings
- Control data collection through iOS privacy settings

Changes to This Policy

We may update this Privacy Policy periodically. Any changes will be reflected with an updated "Last Updated" date. Continued use of the app after changes constitutes acceptance of the revised policy.

Data Retention

Game data is retained locally until:

- You manually delete it through app settings
- You uninstall the application
- You reset your device

Third-Party Services

Magic Sudoku does not integrate with any third-party analytics, advertising, or data collection services.

For questions about this Privacy Policy or data practices, please review the app settings or contact us through the App Store review system.
