

Oak Creek-Franklin Joint School District Board of Education

Policy 187: PUBLIC PARTICIPATION AT BOARD MEETINGS

Citizens of the Oak Creek-Franklin Joint School District are encouraged to attend Board meetings and voice their concerns on agenda items. At the same time, citizens must understand that even though Board meetings are open to the public, they are not public meetings. Hence, it is necessary to maintain order at Board meetings.

Any citizen wishing to add an item to the agenda for the monthly Board meeting must first contact the Superintendent or Board President prior to agenda dissemination.

Because the Board believes public input is extremely valuable, time will be allotted during the monthly Board meetings to entertain public comments or concerns. Comments received can only be advisory and no immediate action can or will be taken at that time. Information gained may, however, be addressed at future committee meetings or Board discussions.

Because personnel issues are considered confidential and discussed in closed session, no personnel issues will be entertained during this time.
