RDANA Form
July 2021

RAPID ASSESSMENT OF COVID-19 EFFECTS/IMPACT

Instructions:

This form will be accomplished as part of the Situational Analysis (SA) in the barangay, and in conjunction with the use of the Participatory Situational Analysis (PSA) approach during the first meeting of the Barangay Development Council (BDC) / Barangay Disaster Risk Reduction Council (BDRRMC).

This will be administered through focused group discussion (FGD) by members of the BDC/BDRRMC, facilitated by field staff of the Additional Financing for the National Community-Driven Development Program (NCDDP-AF).

For sections 1 to 3, please provide the data or information required based on available data in the local Barangay/Municipal Disaster Risk Reduction and Management Office, Municipal Social Welfare and Development Office, Health Center or Rural Health Unit, and/or other relevant offices in the Barangay or Municipality.

1. Identifying Data

1.1. Name of Barangay : _____
1.2. Name of Municipality : _____
1.3. Quarantine Status : _____ (as of _____)

2. Demographic Data

2.1. Total population by age group, disaggregated by sex.

(a) Age Group	(b) Both Sexes	(c) Male	(d) Female
Under 1			
1 – 4			
5 – 9			
10 – 14			
15 – 19			
20 – 24			
25 – 29			
30 – 34			
35 – 39			
40 – 44			
45 – 49			
50 – 54			
55 – 59			

(a) Age Group	(b) Both Sexes	(c) Male	(d) Female
60 – 64			
65 – 69			
70 – 74			
75 – 79			
80 years and over			

2.2. Total Indigenous Peoples (IP) population

(a) All sexes	(b) Male	(c) Female

2.3. Total number of persons with disabilities

(a) All sexes	(b) Male	(c) Female

3. COVID Situation

3.1. Total number of affected persons

(a) Total Confirmed Cases	(b) Recovered	(c) Death	(d) Under Quarantine

3.2. Total number of returnees due to COVID

(a) From within the Philippines	(b) From other countries

4. Initial Assessment of the Effects/Impact of COVID-19 on the Community

The table below lists some of the important effects / impact of the COVID-19 pandemic or other disasters on the community. For each item, please indicate assessment of intensity of the impact of each item (i.e. low, moderate, or severe) by marking the appropriate box. The community may set parameters to define low, moderate, or severe using these considerations –

- *High/Low number of HH/population affected by an issue or problem, i.e. loss of job, malnutrition and illnesses, WASH facilities, closing of schools, etc.*
- *High/Low Number of HH/population with access to services, i.e. health and medical services, ECCD and educational services, livelihood and market opportunities, transportation services.*
- *High/Low Number of HH/population able to participate in community affairs/activities, i.e. social activities, consultation sessions with the LGUs, representation in the local development processes.*
- *High/Low Number of HH/population able to access opportunities for livelihood opportunities*

4.1 On Health	Low	Moderate	Severe
Less visit from medical staff	☐	☐	☐
Limited access to consultation	☐	☐	☐
Unable to buy medicine	☐	☐	☐

Less regular/primary health services (e.g., immunization, medical checkup).	☐	☐	☐
Shortages of medical supplies/equipment	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐
c.	☐	☐	☐
4.2 On Food and Nutrition	Low	Moderate	Severe
Shortage of food supply	☐	☐	☐
More malnourished children	☐	☐	☐
Less meals a day	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐
c.	☐	☐	☐
4.3 Water and Sanitation	Low	Moderate	Severe
More use of water	☐	☐	☐
Increase sanitation awareness	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐
c.	☐	☐	☐
4.4 Social protection	Low	Moderate	Severe
Increase reported cases of domestic abuse	☐	☐	☐
Increase reported cases of child/women trafficking	☐	☐	☐
Increase reported cases of personal crime	☐	☐	☐
Discrimination against COVID affected cases	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐
c.	☐	☐	☐
4.5 Local governance/community relationship	Low	Moderate	Severe
Unable to hold community assemblies	☐	☐	☐
Less interaction with local authorities	☐	☐	☐
Neighborhood or community misunderstanding/conflict	☐	☐	☐
Increase in armed conflict	☐	☐	☐
Increase in crime	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐

c.	☐	☐	☐
4.6 Livelihood and Employment	Low	Moderate	Severe
Loss of job/s from within PH	☐	☐	☐
Loss of job/s from other country	☐	☐	☐
Unable to sell products or engage in services	☐	☐	☐
Less access to livelihood inputs (e.g., pre-and post-harvest inputs)	☐	☐	☐
Less income	☐	☐	☐
Difficulty in getting remittances	☐	☐	☐
Increase in debt	☐	☐	☐
Less access to financial credit	☐	☐	☐
Inability to take work outside barangay	☐	☐	☐
Inability to go to work	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐
c.	☐	☐	☐
4.7 Education	Low	Moderate	Severe
Decrease in enrollment	☐	☐	☐
Increase drop-outs	☐	☐	☐
Limited access to off-school learning materials (e.g. modules)	☐	☐	☐
Others (please indicate below)			
a.	☐	☐	☐
b.	☐	☐	☐
c.	☐	☐	☐

5. Status of COVID-19 Response-Related Services and Facilities

The table below list important COVID-19 response-related services and facilities. For each item, please indicate whether these facilities exist/are available in your barangay. If they are available, check if these are adequate or inadequate by marking the appropriate box. The community define and/or set definition of the metrics provided, but below are the suggested descriptions:

- *Adequate – majority of the community members are able to access the services at any given time/whenever needed/on a regular basis*
- *Inadequate – availability of the services is limited and/or not sufficient to provide for the needs of the majority of community members needing them; service of facilities may not be available on a regular basis.*
- *Not Available – services cannot be available in the community; community members needing the service will have to look for them in another community/area*

Existing Services/Facilities	Existing/Available		Not Available
	Adequate	Inadequate	
5.1 Health			
Testing services/facilities	☐	☐	☐

Existing Services/Facilities	Existing/Available		Not Available
	Adequate	Inadequate	
Isolation unit	☐	☐	☐
Medical supply	☐	☐	☐
Health workers	☐	☐	☐
Hospital for COVID	☐	☐	☐
Barangay Health Emergency Response Team (BHERT)	☐	☐	☐
Psycho-social services	☐	☐	☐
Vaccination	☐	☐	☐
Health insurance	☐	☐	☐
Child Friendly Spaces	☐	☐	☐
5.2 Information/communication on COVID			
Prevention	☐	☐	☐
Vaccination	☐	☐	☐
5.3 Education			
Remote Learning materials	☐	☐	☐
Learning support aide	☐	☐	☐
Coaching for parents	☐	☐	☐
5.4 Water Supply System			
Level 1 (i.e., wells and similar facilities)	☐	☐	☐
Level 2 (i.e., communal faucets)	☐	☐	☐
Level 3 (i.e., water taps inside the house)	☐	☐	☐
5.5 Sanitation facilities			
Hand washing facilities	☐	☐	☐
Disinfection materials and equipment	☐	☐	☐
5.6 Social assistance			
Relief	☐	☐	☐
Cash grant	☐	☐	☐
Cash for work	☐	☐	☐
Supplemental feeding/community feeding	☐	☐	☐
5.7 Livelihood/Economic			
Job placement	☐	☐	☐
Skills training	☐	☐	☐
Capital assistance	☐	☐	☐
Agricultural inputs	☐	☐	☐

6. Identifying Priority Groups

6.1. Please rank the following groups by level of access to information about COVID, with number 1 being the group with the least access.

Group	Rank
All women	
Female-headed households	
Poor groups	
Older Persons	
Persons with disabilities (PWD)	
Indigenous peoples/group (if present in the barangay)	
Migrants, Internally displaced, refugees	

6.2. Please rank the following groups which need more assistance in coping with COVID, with number 1 being the group which is most in need of assistance.

Group	Rank
All women	
Poor groups	
Older Persons	
Persons with disabilities (PWD)	
Indigenous peoples/group (if present in the barangay)	
Migrants, Internally displaced, refugees	
Other. Please specify:	

6.3. Which area/sitio in your community need more assistance in coping with COVID-19?
Name of area / sitio: _____
