

LeADERS

CURRICULUM GUIDE

Modeling & Simulation Engineering Major (BSCOME)

LeADERS requirements: All LeADERS Candidates must submit a LeADERS ePortfolio and complete one course from three, four, or five of the LeADERS areas to earn bronze, silver, or gold respectively. A combined GPA of 2.5 is required in these courses. A non-course option can only be selected to satisfy one LeADERS area. [See approved list of LeADERS course and non-course options.](#)
