Virtual Student Council Introduction

Hello Students! This year has been different in so many ways in and out of school. We would still like to continue to do student council to plan things that can be fun for the school and our community. To be involved in student council, you will need to participate in google meets on some Wednesdays either before or after your remote meetings. There will be two representatives from each homeroom - one student from each cohort.

Student council members will be responsible for

- Talking to your homeroom about events or projects that we are going to be doing
- Helping with these events and projects
- Help to get your classmates involved

To be in student council you need to:

- Be completing in person and remote assignments
- Attend meetings
- Stay involved
- Help whenever possible

Some things we MAY be doing this year:

- Virtual Turkey Toss
- Holiday video messages to send to nursing homes in the community
- Collections for Billerica food pantry
- Trivia Contests
- Spirit Week
