Proposal:

International Jugglers' Association - International Regional Competition

Middle East

Please fill this form as completely as possible. This form will be considered a formal proposal by the Host Festival to hold the IJA Regional Competition at their event.

Why is Israel a good location for this event, geographically?

Israel is the second biggest juggling convention in the world (after EJC). It's a small country, so the site is easily accessible to most of the local jugglers.

Who is organizing this event? What are their roles? Who will maintain contact with the IJA?

There is a core team of people, many of whom have been involved in organizing IJC for ten years or more. Scott Seltzer will be the liaison for the IRC event.

When completed, please return to wall@juggle.org or stephens@juggle.org

Does this event have any sponsors? If so, who are they?

None.

Have you allocated prize money into your budget? If so, what numbers will you be able to commit to?

$300.

The IJA requires that the IRC be the main event one night of the festival. Will this be possible?

Yes.

Does the Host Festival have a theatre booked for this event? What is its capacity? How large is the stage?

The event will probably be held in the main gym which has stadium seating suitable for nearly 1000 people (with some sitting on the floor). There will be a backdrop and professional sound system and lighting.

How will the Host Festival promote this event?

It will be listed as one of the main events on the website. It will be promoted on our facebook page.

Will the Host Festival be able to provide proof of insurance for this event?

Yes.

Additional information:

I’ve already spoken to a few people who are excited to compete in the event.

When completed, please return to IRC Director, Erin Stephens, at: stephens@juggle.org
