COPYRIGHT TRANSFER AGREEMENT

The transfer of copyright from the contributor(s) is fully required to enable the Epidemiological Journal of Indonesia to disseminate your work. The following copyright transfer must be signed and submitted online. The copyright to the unpublished and original research article, including copyright to the cover illustration, abstract forming part thereof should be transferred. By signing this agreement, the contributors (authors) warrant that the entire work is original and unpublished; it is submitted only to Epidemiological Journal of Indonesia and all text, data, figures/tables or other illustrations included in this work are completely original and unpublished, and these have not been previously published or submitted elsewhere in any form or media whatsoever. Each author(s) agrees to transfer all copyrights of this work to the Epidemiological Journal of Indonesia.

is hereby transferred and assigned to Epidemiological Journal of Indonesia for the full term of exclusive copyright and any extensions or renewals of that terms thereof throughout the world, including but not limited to publish, disseminate, transmit, store, translate, distribute, sell, republish and use the contribution and material contained within in print and electronic form of the journal and in other derivative works, in all languages and any form of media of expression available now or in the future and to license or permit others to do so.

The legal formal aspect of journal publication accessibility refers to Creative Commons Attribution-Non-Commercial-Share Alike (CC BY-NC-SA) (https://creativecommons.org/licenses/by-nc-sa/4.0/).

Each contributor(s) warrants that his or her research institution has fully approved the protocol for all scientific studies involving animals or humans and that all experiments of any kind were conducted in compliance with ethical and humane principles of research after approval.

The contributor(s) warrants that the work contains no unlawful or libelous statements and opinions and liable materials of any kind whatsoever, does not infringe on any copyrights, intellectual property rights, personal rights or rights of any kind of others, nor contains any plagiarized, fraudulent, improperly attributed materials, instructions, procedures, information or ideas that might cause any harm, damage, injury, losses or costs of any kind to person or property.

The contributor(s) also represents and warrants that they have full power and authority to enter into this agreement.

Whenever publisher is contacted by the third parties for individual permissions to use in a collective work, reprint for library reserve or classroom or otherwise, the undersigned contributor's or employer's permissions will also be required.

This agreement should be signed by all contributors, by at least one of the contributors who agrees to inform other co-contributors the full terms of this agreement and have their full permission to sign on their behalf.
