Boise School District
Field Trip Permission Form

Dear Parent/Guardian,

Throughout the school year, students will have the opportunity to participate in a variety of off-campus field trips that support and enhance classroom learning. These trips may include visits to local parks, museums, performances, educational centers, and other community destinations.

In an effort to simplify the permission process and reduce the number of individual forms sent home, we are asking for your general permission for your child to participate in any school-sponsored field trip during this school year.

For each individual trip, you will still be notified in advance with details such as the location, purpose, date, time, and any costs or special instructions. You will always have the opportunity to opt your child out of any specific field trip by contacting your child's teacher or the school office.

Staff/Class Information (To Be Completed by Teacher/Advisor/Coach)
