5. You can link all of your children to your PowerSchool Parent Portal account. You will require your child's **Access ID** and **Access Password**, for each child you want to associate with your account. Fill in student information with the information provided by your student's teacher/school. Complete this for every student you have.

   Select the Relationship from the drop down menu.

   Repeat for all children you wish to associate your PowerSchool Parent Portal with.
