CALIFORNIA school parent SURVEY

California School Parent Survey, 2021-2022

School Name

Your school needs you to complete this online survey to learn more about your opinions about it. This survey is an opportunity to communicate your perceptions about your child's school. This letter explains the survey and, at the bottom of the page, provides your URL and access instructions. If you have any questions about this survey, contact Nancy Razo or Linda Hom in the office at 510 231-1413.

The purpose of this survey is to obtain parent perceptions about the school.

Your participation is voluntary. **It is also very important**. The information you provide will help guide district and school efforts to promote safety, enhance learning supports, and improve student achievement.

- **This is an anonymous survey**. It is designed so that no one can be identified from the data. You do not have to respond to any questions that you feel could be used to identify you. Simply skip any such questions.
- **All questions apply to this school only**.
- **The results are for the use of your district**. The California Department of Education and WestEd will preserve data confidentiality and refer any data requests to the district.
