Create an ultra-realistic cinematic birthday poster of Prabhas in vertical 4:5 Instagram size. Add a huge close-up side-profile portrait on the left, with thick curly black hair, a full beard, and an intense expression. On the right, show a full-body version of the same man walking confidently in a premium dark-blue double-breasted suit, black shirt, black tie, and black formal shoes. Use a dramatic warm brown and golden sunset background, textured off-white wall on the left, smoky clouds, distant green mountains, and a cinematic rural landscape. At the bottom left, add bold 3D text: "HAPPY BIRTHDAY PRABHAS" in textured golden and fiery orange-red lettering with metallic highlights, deep shadows, and glowing light effects. Professional fan-made poster, realistic skin texture, sharp details, dramatic cinematic lighting, Ultra HD 8K, high contrast, premium color grading. Preserve the original composition, pose, hairstyle, outfit, background, and text placement.
