## New York Transportation

If you are reading this document, it is because you live in New York State and will be traveling to Eastern Christian for school. Thank you for making this commitment. Through the state of New York, all students who attend a school in New Jersey qualify for free transportation if they fall within the mileage set forth by New York. This is not through Eastern Christian, but through the school district in which you reside. We highly suggest you call your district office to inquire about transportation each March for the following school year to see if you qualify. You will need to fill out paperwork and show proof of schooling/residency.

The below districts might be a good jumping-off point for those who live in them.
