2026 Community Creates Partnership Packages

Join us for the annual 2026 Community Creates art auction benefiting The Arts Based School!

The Arts Based School (ABS), a downtown charter school in the heart of the arts district, believes in teaching through the arts and connecting our students with the incredible artistic talent in our local community. Our Artist-in-Residence program offers each of our students unique opportunities to learn and create with artists they may otherwise never encounter. All proceeds from the Community Creates Art Auction fund our arts programming and guarantee that our students will continue to be inspired each and every day.

As a partner in the Community Creates event, your business will receive significant promotion to a targeted audience within the arts community in addition to hundreds of families, ABS alumni, board members and community friends. This year's event takes place on **Saturday, May 2nd from 7-11pm** at The Arts Based School. Tickets are $60 or Two for $100 and include wine, beer, hors d'oeuvres and dinner.

Partnership levels are detailed in the following pages. If you have questions, comments or suggestions for ideas on how you would like to be involved, please contact rhollis@artsbasedschool.com

Thank you for your interest and support!
