FOR IMMEDIATE RELEASE

Village Handcrafted Cabinetry and BlueStar® Announce Keystone State Collaboration for KBIS 2026 Booth

LANSDALE, PA, January 31, 2026 – In a powerful showcase of Keystone State pride, Village Handcrafted Cabinetry, a premier manufacturer of custom cabinetry, is thrilled to announce a Pennsylvania-proud partnership with BlueStar®, a leading producer of high-performance kitchen appliances. Together, they will build a stunning, all-new booth for the 2026 Kitchen & Bath Industry Show (KBIS). This exciting, Keystone State-heavy collaboration is a celebration of Pennsylvania craftsmanship, bringing together a collective of the state's finest manufacturers to showcase their shared heritage of artistry and innovation.

Located in the South Hall at booth #S24039, the exhibit is a testament to the quality and design excellence of Pennsylvania-based manufacturing. This year, the booth will be a true PA-driven effort, featuring contributions from other esteemed Pennsylvania companies, including Grothouse, who will provide exquisite island tops, and Onur Marble & Granite, who will supply the elegant stone tops on the perimeter. This collaboration underscores a shared, deeply-rooted commitment to the Keystone State's rich heritage of quality and craftsmanship.

"We are incredibly proud to be part of this Keystone State-heavy collaboration for KBIS 2026," said Joe Trave, CEO of Village Handcrafted Cabinetry. "This partnership with BlueStar® and our fellow Pennsylvania manufacturers is a powerful statement about the talent and dedication to quality that defines our state. We are proud to make everything in-house in our state-of-the-art, over 75,000-square-foot manufacturing facility, and we can't wait to give KBIS attendees a taste of the world-class, American-made craftsmanship that is born and bred in Pennsylvania."

Village Handcrafted Cabinetry is proud to work with the acclaimed husband-and-wife design team, Garry and Suzanne Shumaker of Shumaker Design Associates, who are leading the creative vision for the 2026 booth. With their extensive experience in high-end residential architecture and interior design, the Shumakers are poised to create a truly unforgettable space. The final design remains a closely guarded secret to ensure a grand reveal at the show.

Attendees of KBIS 2026, held February 17-19 at the Orange County Convention Center in Orlando, are invited to experience this celebration of Pennsylvania craftsmanship firsthand. Find Village Handcrafted Cabinetry and BlueStar® in the South Hall at booth #S24039. We are excited for the grand reveal of this stunning collaborated booth to be revealed along with BlueStar's Color of the Year!
