Philanthropic Funders of Climate, Health, and Equity Work
(2019 Survey Respondents)

These foundations responded to a Climate, Health, and Equity (CHE) 2019 Survey about work they are doing in this field. That survey report also lists government funder respondents; see Government Funders & Collaboration Hubs for more on public funders.

Foundations are listed alphabetically. This list represents a partial snapshot in time and does not encompass the entirety of foundations investing in climate, health, and equity.
