Anacostia Community Boathouse Association

DC Tide tables

SUNDAY, October 27, 2024 9:30-noon

Bioswale Work session sign up

Volunteers - We do have some tools, but it helps to bring your own favorite tools such as shovels, rakes, trowels, or sturdy clippers.
Remember to bring a snack, **water**, hats, gloves, long pants and protective footwear.

Meet at the Bioswale Shed, ⅔ of the way down the parking lot, on the road side ⇒

NOTE: All volunteers are required to sign a brief WAIVER … click here.

The Bioswale - The grassy buffer between the boathouse and the river that protects the Anacostia river by filtering and diverting runoff from the land. Our work in the bioswale maintains its native species such as bald cypress, Red Twig Dogwood, Rose Mallow, Switchgrass, Blue flag iris, and Sweet Bay Magnolia.
