Scene 1:

[Allen] Ugh… detention again *(shambles into detention)*

[Sarah] Oh, shut up Allen, you were the one who got us both here in the first place.

Scene 2:

(flashback to recess):

[Allen] *(fake punches Sarah in the shoulder)* heeeey, where's your bodyguard Sophia?

[Sarah] *jokes* Dunno, 'Haven't seen her since detention 'few weeks ago. Maybe SHE'S the one that's been breakin' into shops downtown.

[Random Teacher] *flabbergasted* Wha… H-how DARE you slander Sophie's name, young lady?!

Scene 3:

(flash forward to principal's office {before detention})

[Sarah] Y-yes sir. I'll report to detention right after school. (*pause)* y-yes, of course. Sir.(she added quickly) (*pauses)* Yes. Very Sorry Sir.

Scene 4:

(flash forward to detention)

[Allen] Oh… YEAH!! I sort of DID do that!

[Sarah] Yeah. You did.

[Detention Monitor] *(yawning. looks up from the newspaper).* I'm going to get coffee. You know, Sarah, you seem pretty well behaved, for a detention regular, that is. I'm putting you in charge while I'm gone. *(leaves)*

[Allen] *(loud whispering)* I'm gonna try to get our phones back. You keep look out.

LOUD UNLOCKING SOUND

[Sarah] What was that?

[Allen] I think… well… I remember opening this drawer… Um.. what if I open it again? *(opens again)*

LOUD LOCKING SOUND

[Sarah] Soooo.. that's weird…

[Allen] well, let's see what it unlocks?

LOUD UNLOCKING SOUND

[Allen] hey, I think it came from that wooden panel board over there (*points to a wooden panel on the wall)* i'll go check in out (*walks over to the panel and knocks on it*)

[Sarah] (*walks up*) it… it sounds hollow

[Allen] let's see if we can open it!

[Sarah] You sure?

[Allen] Absolutely!

RIPS OPEN PANEL

[Allen] woooow, that looks like a portal of some kind… I wonder where it leads?

[Sarah] who knows…

[Sophia] HELP!!! If anyone can hear me, please help, I'm trapped!

[Sarah] *(looks at Allen)* did you hear that, it sounded like…

[Both] Sophia!!!

Scene 5:

[Allen] we need to help her!

[Sarah] how are we supposed to do that?!

[Detention Monitor] hey, keep it down in there, I'm trying to solve the crossword! By the way, what's something sticky that rhymes with blue?

[Allen] YOU!!!

[Detention Monitor] Thanks!

[Sarah] (*whispers*) good one

[Detention Monitor] Wait a second

[Allen] come on, we gotta get out of here!!!

[Sarah] but ho— *(Allen pulls her into the portal)* AHHHHH!!

[Detention Monitor] What's going on in there? *(walks in and looks directly at the portal)* that's a cool new painting. I wonder where those kids went? Oh well. *(walks out)*
