Directions: While you are reading, use one of the following graphic organizer ideas to help you organize your thoughts while recording the important information from the lesson. Choose whichever one makes the most sense to you.

(Students may want to use Google Drawings, Microsoft Office or...those graphs can be uploaded here.)

Option 1: Create web organizers for Minnesota industries, people, and ideas. You could create three separate webs or one large web.

Option 2: Identify the key ideas, industries and people from Minnesota using an alphabet organizer. Using the letters of the alphabet, list and describe the key ideas, industries, and people of Minnesota.
