Dear Irvine High Community,

We are excited to announce that Irvine High PTSA will host the **2023 Multicultural Festival**!

Over the years, Irvine High School has become a melting pot of diverse cultures. This is a great opportunity for the community to learn about different cultures and for the students to explore their heritage and demonstrate their talents! Families from six Irvine High feeder schools (three elementary schools and three middle schools) and other schools will be invited to participate in this event too.

Date: Friday, Feb. 17th, 2023
