Spring into Marvel 2027 Marvel Crisis Protocol

What is this?

Spring into Marvel is a two day Marvel Crisis Protocol event hosted over the 13/14 Narch 2027. The event will be part of the Galaxies Greatest event series.

The venue will be open on the Friday afternoon for casual gaming. Hall fees apply.

How will this all work?

The event will be held at the North West Gaming Centre. For those who go here and need to know a little more the venue itself was established in 2010 and Element opened its first version of the store in 2014 following a successful online only service before then, The venue and the store have gone from strength to strength with a big revamp to modernise the venue completed in 2019.

A Tournament?

If you're unsure on what a tournament is or even if you're ready for it. Just imagine a group of like minded gamers , in a room, playing your favourite game competitively. Prizes will not be reserved for the top tables either with a prize for every win bracket! Even if you just want to show off your awesome models that's ok too as we will be rewarding the best painted rosters in our award ceremony with best painted trophies sponsored by ProPainted Studios.

I have a question?
