SPECIAL RULE: ONLY MELEE CHAMPIONS WILL BE ALLOWED IN THIS AO AFTER DARK. RANGED CHAMPIONS CANNOT BE PICKED.

Prize Pool:
Each winner takes a $20

Ways to win:

1. Kills all enemy players
2. Kills Enemy turret
3. Most individual CS per player at 6 minutes

Players who have died will be allowed to return and continue playing after they respawn.

Winning by cs is determined by the individual cs of the teams' players. To explain what this means, let's say Team A has 1 player with 50 cs, another with 10, and another with 5. Meanwhile,Team B has 3 players with: 30 cs, 15 cs, and 12 cs respectively. Since players 2 and 3 on Team B have more cs than Team A's player 2 and 3, Team B would win with a 2 to 1 edge. However, once you die, your cs will not be counted towards the CS victory condition.

Sub in Priority:
1. New Players that haven't played
2. First to ask to sub in.

If you want to sub in just have a tab open for the stream and be ready to sub once they ask for a sub in!
