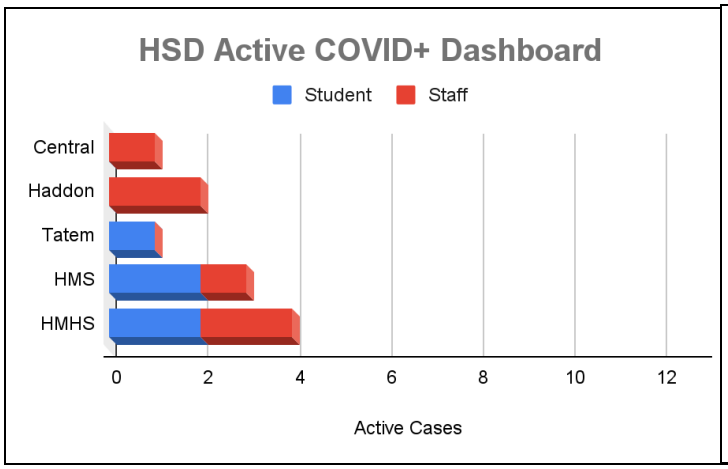
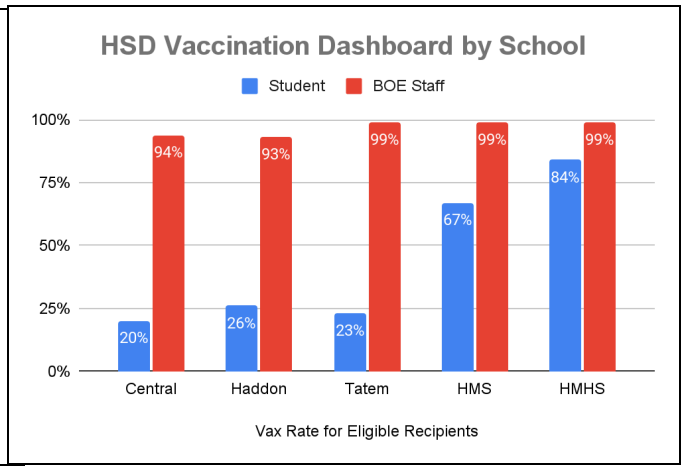
**HSD Cases #111-#118**





Dear Parents, Guardians, and Staff:

This letter informs you that eight (8) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing, if any, has been completed.

***We continue to ask parents to keep their students home at the first signs of COVID symptoms, especially now that we are seeing a rise in cases in our district and in the region.*** Also, please notify your school nurse as soon as you receive a COVID+ test, which helps the school district respond in the most efficient manner possible.

While we try to consolidate these notices to be more efficient in our communications, please note that the HSD Active COVID+ & Vax Dashboards are updated daily and available on the HSD website.
