1. Overview

Number Puzzle is a simple offline puzzle game designed for users of all ages.
We respect your privacy and are committed to protecting your personal information.
This Privacy Policy explains how our app handles user data.

---

2. Information We Do Not Collect

We **do not collect, store, share, or process** any personal or non-personal information from users.
Specifically:

- No account creation or sign-in is required.
- No location, contacts, camera, or microphone data are accessed.
- No analytics or advertising SDKs are integrated.
- No data is shared with any third parties.

---

3. Offline Usage

Number Puzzle is an **offline game**.
All gameplay and progress take place on your device only.
The app does not require an internet connection to function.

---

4. Children’s Privacy

Our app is suitable for users of all ages, including children.
We comply with the **Google Play Families Policy** and **COPPA** (Children’s Online Privacy Protection Act).
Since we do not collect any personal data, there is no risk of misuse or exposure.

---

5. Data Security

As our app does not collect or transmit data, there are no security risks related to data storage or transfer.
All app data (like scores or preferences) remain locally stored on the user’s device.

---

6. Third-Party Services

Number Puzzle does **not use any third-party libraries or SDKs** that collect user data.
If future updates include such services (e.g., ads or analytics), this Privacy Policy will be updated accordingly.

---

7. Changes to This Privacy Policy

We may update this Privacy Policy periodically.
Any changes will be reflected in the “Last updated” date at the top of this document.
