Evidence and reasoning supporting the claim that the US DID handle its great power responsibly during this time. (Include at least three specific facts and historical details/events from Imperialism and/or WWI and explain how they justify that the US did handle its power responsibly. Use evidence and reasoning!)

Evidence and reasoning supporting the claim that the US DID NOT handle its great power responsibly during this time (Include at least three specific facts and historical details/events from Imperialism and/or WWI and explain how they justify that the US didn't handle its power responsibly. Use evidence and reasoning!)

"Evaluate the extent to which the United States handled its responsibility of having great power during the era of Imperialism and World War I." (Use A.C.E. and include at least three pieces of specific and factual historical evidence that supports your claim! Answer, cite, and explain! You will then verbalize this answer as a whole group.)
