SUBMISSION OF AUTHORS, SWORN DECLARATION, AND AUTHORSHIP RESPONSIBILITY (CRediT)

City, Country Date:

Dr. Luis Pastor Carmenate Fuentes
Editor-in-Chief
Convergencia de las Ciencias Journal
Present

We hereby submit for consideration by the Editorial Committee of the ***Convergencia de las Ciencias Journal*** the manuscript titled: "_____".

This work is derived from the results of the (project/ technical report/ thesis/ other modality) developed within the framework of *(the degree/program/institution)* in *(city/country).*

1. **Authorship responsibility and approval of content**

We, the authors, **declare** that we have reviewed and validated the entire content of the manuscript, assume full responsibility for its content, and consequently approve its publication in digital format in the journal *Convergencia de las Ciencias* in both Spanish and English.

Likewise, we accept the order of appearance of the authors and list the contribution of each one below:

*Fill in by looking at the following **example**:*

Author	Contribution
[Full name of author 1]	Lead author, conception and design of the research, project management, drafting of the article, interpretation of results.

Author	Contribution
[Full name of author 2]	Conception and design of the research, critical review of the content, drafting of the article, interpretation of results.
[Full name of author 3]	Biostatistics, methodological design, data analysis.
[Full name of author 4]	Interpretation of results, critical review of the manuscript, adaptation to the journal's editorial format.

2. Originality and exclusivity

We, the authors, certify that this article has not been published in whole or in part in another text, nor is it being submitted for consideration in any other journal, nor has it been accepted for publication, nor has it been published in another language.

We, the authors, declare that:

- This work has not had any funding source.

- We have not conferred any right or interest to third parties.

In the event that the manuscript is accepted for publication, we, the authors, grant the rights of first publication to the *Convergencia de las Ciencias Journal*. We authorize the Editor-in-Chief and/or Editorial Committee to make the necessary formal modifications to adapt the text to the journal's linguistic format, including the elimination of redundancies, the deletion of tables or figures that are not essential for the understanding of the text, provided that such changes do not alter the substantial meaning of the content.

We, the authors, declare that we know and accept that the journal is published under the **International Creative Commons Attribution 4.0 Public License (CC BY 4.0)**.

Therefore, if published, this work may be reproduced, distributed, publicly communicated, adapted, transformed, self-archived, and reused for commercial or non-commercial purposes, provided that authorship is properly acknowledged, the original source is cited, and it is indicated if modifications have been made.

3. **Ethical Aspects and Confidentiality**

- The authors declare that no experiments on humans or animals have been performed for this research.
- All respondents signed informed consent for the research.
- Data confidentiality: we, the authors, declare that data of persons that could identify them do not appear in this article.

4. **Declaration on the Use of Artificial Intelligence (AI)**

Regarding the use of Artificial Intelligence (AI), the authors declare:

☐ **Option A:** No generative artificial intelligence (AI) tools were used in any phase of the research, analysis, or writing process of this manuscript.

☐ **Option B:** The tool [indicate tool name, version, and developer] was used exclusively for the sole purpose of improving the linguistic drafting and grammatical correctness of the text.

- The use of AI did not influence the scientific content, the study design, the analysis and interpretation of the data, the results, or the conclusions of the manuscript.
- We, the authors, assume full and complete responsibility for the content of the work.

5. **Publication process and fees**

We, the authors, state that we are informed that, once the article is editorially accepted, the corresponding author will be notified regarding the payment process of the Article Processing Charges (APC).

Said payment must be made within a maximum period of seven (7) business days from the date of notification of the editorial acceptance of the manuscript.

Likewise, we acknowledge that the final publication of the article is contingent upon the full receipt of the payment and that early payment contributes to expediting the editorial process.
