MINOR DETAILED INFORMATION

-- JT Saint's reign was the first as the World Television Championship.

-- (08/16/18) The title was vacated during a Fatal Four Way ladder match when the referee was unaware on who the winner was as two men fall to the ground with the championship. DEIMOS would steal the WTC World Television Championship.

-- (09/13/18) Eli Buchanan became the very first champion to hold the newly created Destiny Crown Championship, winning the WTC Destiny 8 Tournament

*Eli Buchanan holds the most title defences. (Total: 7)

-- At WTC: The Showcase, the Destiny Crown was defended in the opening match, between Eddy Poe and Eli Buchanan, which was won by Eddy Poe. Then again in the Main Event, after SILK earned a title opportunity in the Contender Eliminator match, in which SILK defeated Poe for the championship and became the 6th champion in history.

-- (07/19/19) Seattle Pro Wrestling purchases the sole rights to the WTC Destiny Crown. Making it no longer a traveling Championship as SILK was also their World Champion.

*SILK has the current record for Longest Reign (223 Days)

-- (09/07/19) Seattle Pro merged the WTC Destiny Crown with their World Heavyweight Championship as SILK regained the Title for a second time by defeating Amira Kassouri.
