# COURSE EXIT SURVEY

**BHARATI VIDYAPEETH COLLEGE OF ENGINEERING, NEW DELHI**

**Department of Computer Science and Engineering**
**Course Exit Survey**
**2023- 2024**

**Subject Name: Machine Learning** **Subject Code: ML-407T**
**Semester: 7th**

**Please rate how well you understood the course (Tick the most appropriate option)**
**(1 – Poor, 2- Good, 3- Excellent)**

ML-407T.1 What is your Level of formulating machine learning problems?
**1.** ☐ **2.** ☐ **3.**

ML-407T.2 To what extent you have learned about regression and feature selection techniques and develop applications based on the same?
**1.** ☐ **2.** ☐ **3.** ☐

ML-407T.3 To what extent you can apply machine learning techniques such as classification to practical applications?
**1.** ☐ **2.** ☐ **3.** ☐

ML-407T.4 To what extent you can apply Clustering algorithms to develop various practical applications?
**1.** ☐ **2.** ☐ **3.** ☐

Suggestions to improve the teaching methodology:

Overall, how do you rate your understanding of the subject (tick whichever is applicable)
1. Below 50%. 2. 50%-70%. 3.70%-90% 4. Above 90%
