What to Wear:

All participants **MUST** wear a golf shirt that is tucked into their pants/shorts/skirt. Men must wear golf pants or golf shorts; women may wear culottes, walking shorts, or golf shorts (failure to comply with dress code will result in participants not trying out).

NO JEANS, YOU WILL BE ASKED TO LEAVE IF YOU WEAR THEM.

What to have completed/bring:

Paperwork Online - all paperwork must be completed before the first day of tryouts.

Golf Clubs – Divot Repair Tool

Golf Shoes or Tennis Shoes –

Water –we may be walking nine holes

Try–outs

Note - Not everyone will be playing 9 holes on the course. If you aren't course ready (i.e., you know the rules and can pass the swing test), and you anticipate not playing 9 holes, but instead will be at the driving range during this time.

First Day of Try-Outs: Wednesday, August 12 - **Boys 2:30 – 3:30** - Girls from 3:30 – 4:00

Since our first day is on the driving range, our time will be limited. Therefore, I will be testing everyone on various parts of your golf game. I will be testing the following skills: putting, chipping, long irons, short irons, and then the driver. Please be on time - I am starting with testing at 2:30!

Second Day of Try-Outs: Thursday, August 13th @ 3:00

Boys: 3:00 - 4:00
Girls: 4:00 - 4:30
Range practice and short game test.

Third Day of Try-Outs: Tuesday, August 18th @ 3:00 - I will let you know if you are playing nine holes.

Participants will be paired up in foursomes, where they are to keep each other's scores. Players are required to follow all PGA rules during their 9-hole match.

Golf Practices and Schedule

All practices once school starts will begin at 3:00 - 4:30 at Cattails' driving range. You must arrange your transportation to and from all practices and golf matches. Practice on the range is typically 45 minutes. If you have an early practice time, you can stay and practice putting afterward, and if you have a later practice time, you can show up early and work on your short game.

Golf Schedule - TBA

Future and Other Interests

- Golf Shirts
- Golf Balls – Taylormade
- Put-A-Thon
    - Have to make x amount of putts from a certain distance.
    - It will be done on a Friday.

Other Considerations:

We are guests at Cattail Creek Country Club. We are not ALLOWED to practice there on the weekends or days I am not there. Our goal is to leave the course in better shape than we found it. You will be responsible for ALL ball marks you and others make, as well as wearing proper attire.

You will only be given three days to try out. If you miss a tryout date, you will be evaluated on the remaining days you are here.

Our goal is to make it to the state tournament. Winning counties was nice last year, but I would like to send the team to the State Championship! See everyone in August. Make sure you have all the paperwork online.
