Dear Colleagues and Students,

We are delighted to inform you of the 4th and 5th sessions of MindScapes FTS 2026–27, featuring two invited talks by **Prof. Sandeep Prassds, CUNY, USA).**

Title: **"What the theory of conceptual form reveals about the nature of commonsense concepts"**
Date: 20 and 21 November 2026
Time: 8.00 AM IST

Dr. Sreekar Raghotham (Harvard University) and Urvi Maheshwari (University of California, San Diego) will be presenting invited commentaries on the talk.

At MindScapes, we are committed to maintaining best-practice academic standards throughout the series
We warmly invite colleagues, researchers, and students interested in these questions to join us.
We look forward to the participation of all interested in philosophy and cognitive science and to the stimulating conversations this initiative will inspire.

With best regards,

For the MindScapes '26 Team,
Sumesh
Department of Philosophy
University of Delhi
India.
